Anaya

Portland, Maine

Business student **Age** 19 **Born** June 2
Ht: 5'2" **Wt:** 105 lbs. **Bras:** 32B or none
Panties: Boy shorts **Anal:** Yeah, it's hot
BJs: I do it a lot. I spit **Diddle:** Not much

"My aunt and uncle were on vacation in Europe and I'd promised I'd keep an eye on their place," said Anaya. "My guy and I stopped there on a saturday afternoon, on our way to his place where we had a sexy night in planned because his roommates were away. I decided to water the garden, and he thought I looked so 'cute' that he wanted photos to show his folks and mine. 'I'll show you cute,' I said and started stripping. His instant hard-on just about burst through his jeans! My toy? I had that in my bag for us to use later."

"My guy wasn't really surprised when I started to strip for him," said Anaya. "He knows real well that I'm a pretty outrageous person who loves to be the center of attention–especially with guys–and he's cool with it. He enjoys staying back and watching me flirt and stuff…just harmless stuff. He wasn't even surprised when I told him I'd showed the photos to my best friend and she had suggested I send them to *NN*. I loved the idea of showing my bod to the world, and I probably would have gone for it even before she told me that I'd be paid if the photos were published. Extra cash is always handy for a student."

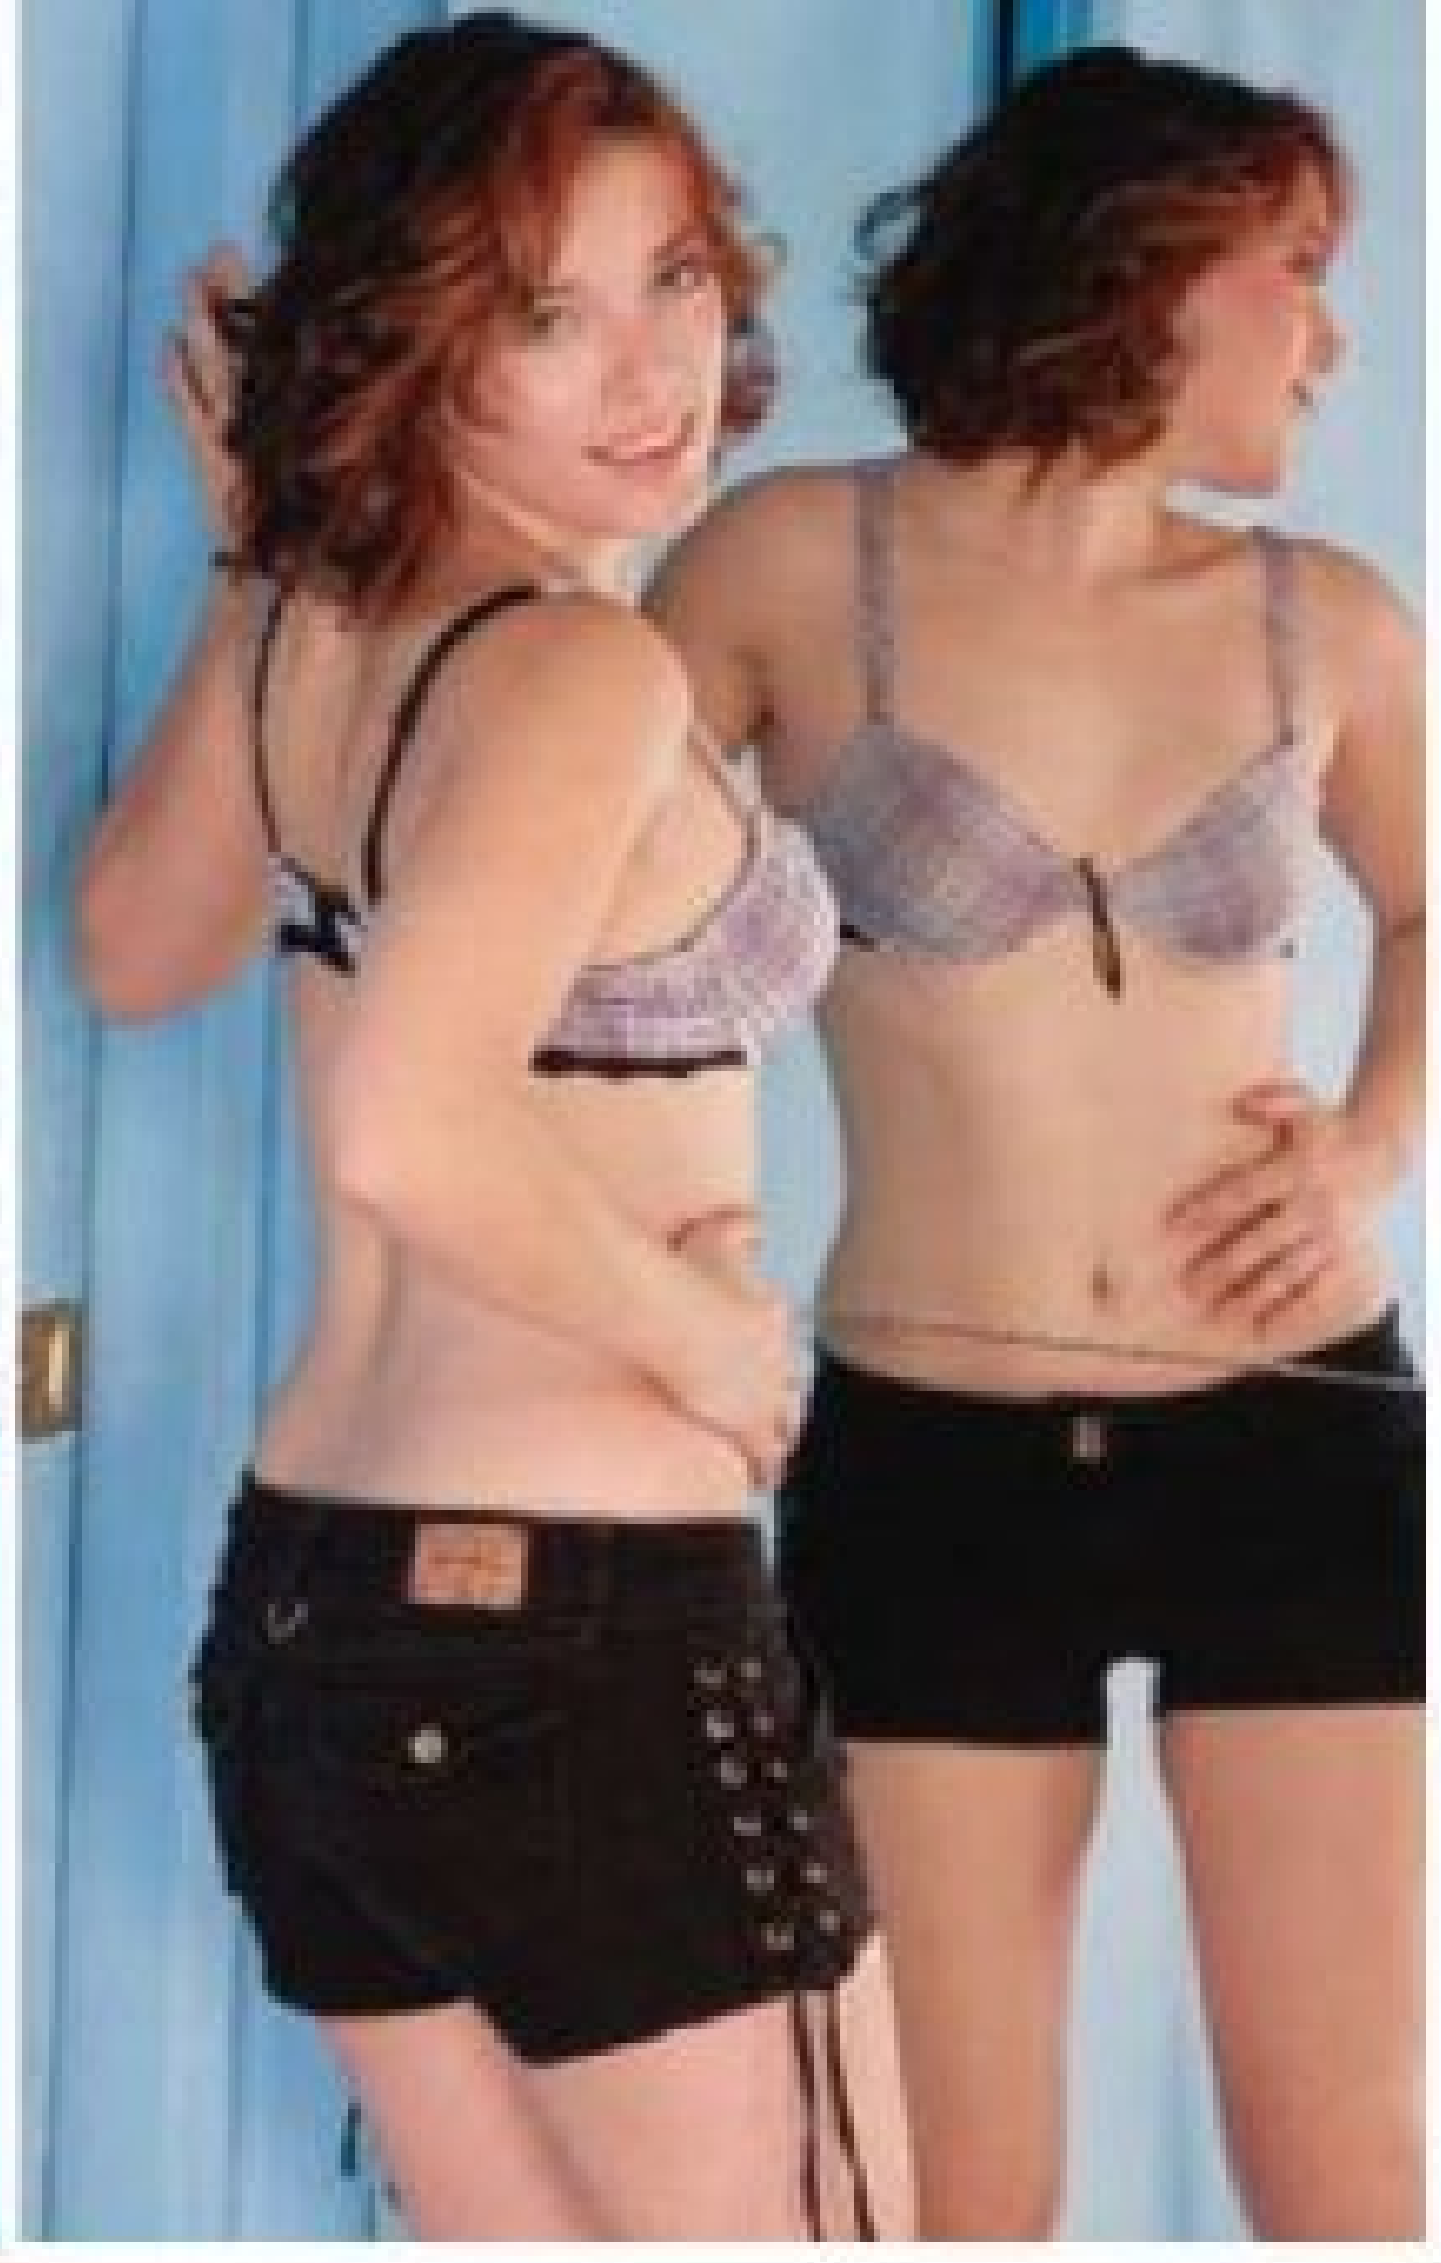
After you posed?

"We fucked outdoors. It was a first for both of us. He sat on the bench and I sat on his lap facing him so he could suck my nips while I did the moving. We were so sexed up that we came in about two minutes."

Noye

Jackson, New Jersey

Store clerk **Age** 19 **Born** January 9
Ht: 5'2" **Wt:** 101 lbs. **Bras:** 34A
Panties: Thongs **Anal:** Hotter each time
BJs: I deep-throat **Diddle:** Sometimes



"I work in a clothing store for young people" said Noye. "I hang around with the other staff–and one guy in particular. Everybody thinks he's gay and he makes out that he is, but I know he goes for girls, too. Damn, do I know! He's awesome in bed, and he gets me off so strong and so many times that he's probably spoiling me for other guys in the future. I'm sure nobody suspects that we sleep together–till they see the magazine, that is. It will be, like, his bisexual coming out and my naked debut. I hope it doesn't cost me my job, but I've wanted to do this since I used to read *NN* with a guy I dated last year."

When Noye cums

"Guys say my pussy clamps their dicks so hard when I'm cumming that it almost hurts them. I don't know 'cause I'm busy moaning, grunting, sweating and creaming. After two or three orgasms I can hardly move."

SEXBEAT

News to entertain and inform you and, perhaps, even help you to score fuck points and get laid more

HOW TO GO FROM ZERO TO QUICKIE IN 300 SECONDS

This how-to is from menshealth.co.uk

5 minutes before: Before-play. Send her a text message that adheres to proper German word order: time, manner, place, ie "After lunch, commando, upstairs bathroom." This will mean she's thinking about the sex itself, the risk of being caught and the naughtiness of returning to normal activities after. She'll be warmed up mentally and physically ahead of schedule.

2 minutes before: Assessment. The chance of being caught is vital, but you should be aiming for low-risk rather than high stakes. You're going to need less than five minutes. Factoring in clothing removal and re-dress, the condom and time to orgasm, four minutes is the ideal duration.

0-2 mins: Lift off. Start with rushed oral sex for vital lubrication. Then stand and enter her from behind. This gives you easy access to her clitoris, ass, breasts, everything. If she tilts her head back and around, you can still kiss and she can reach back and pull you in.

2-4 mins: Top speed. Simultaneous orgasm is difficult at the best of times, so in this situation you both need to focus on your own needs. Tell her to ask for exactly what she wants, a finger here, a tongue there, more speed, deeper thrusts and so on. This is no time to be coy.

+5 mins: Afters. A quick, conspiratorial text message is in order, even if you're straight back downstairs to the dinner party. Something to make her blush. The best follow-ups imply a desire to do it again. The more she thinks on it between trysts the more excited she'll be the next time you surprise her with the idea.

HE MADE THE WRONG MOOO–VE

On the Indonesian island of Bali, Ngurah Alit, 18, was caught standing naked behind a cow, having obviously just fucked it. He claimed that the cow was actually a young, beautiful woman that had seduced him with flattering compliments.

Alit was forced to marry the cow in a major ceremony to cleanse the coastal village of the aura of bestiality. Police were on hand to keep large number of strangers and members of the press out of the village.

Alit's "bride" was then drowned in the ocean as part of the Pecaruan ritual while Alit himself was only symbolically drowned.

The village chief then declared that the stigma of the illicit sex was gone.

1,000 GUYS IN TEN YEARS!

SHE WOULD QUALIFY FOR THE NN HALL OF FAME…IF WE HAD ONE

Back in 2000, Brit babe, Christina Saunders was a student in Bristol. She wasn't too self-assured, and didn't have much of a sex life. Then, while suffering from the flu, she laid in bed and watched the first season of *Sex And The City*…and it changed her life. She was so fascinated with Samantha, played by Kim Cattrall, that she ended up following in her footsteps.

"Samantha was sexy and confident. She had a male attitude of sleeping around and it fascinated me," Christina said. "Sam went from one man to the next and was proud of it. I wanted to be confident like her."

So, over the next 10 years, she slept with at least one guy a week and, on her vacations from her job, she travelled the world, fucking pretty much every guy she could: Englishmen, Italians, Spanish, French, Russian and Australians among others. The total? One thousand guys fucked! She screwed Mr. 1,000th not long ago at a friend's party.

Christina often couldn't remember a guy's name but she rated every fuck from 1 to 10 in a notebook and she took photos with many of them. She confessed to often being drunk when she banged a guy and also acknowledged having had threesomes and encounters with other girls. The lezie acts were not counted in her total.

Now Christina's self-set goal has been reached she has called it quits and is resting her pussy.

"Good friends stuck by me, but others accused me of being a slut. I took things too far. Now, all I want to do is settle down. I just hope I haven't put men off," she said.

Christina, now 30, has definitely earned admission into the (non-existent) *Naughty Neighbors' Hall of Fame!* What Naughty Nation guy doesn't want to find out how good a fuck she is now? Check out her photo online. You'll see that she doesn't look like a slag, even if many people think that she is.

TRUCKERS ARE CLEAN FUCKERS

Using a $550,496 grant from the National Institute of Mental Health, researchers from Wake Forest University, North Carolina, have finished a five-year project studying the sex lives of long-distance truck drivers to assess their risk of contracting HIV or any other STDs.

They failed to find *any* instances of HIV among the 300 drivers studied, and found very few occurrences of other STDs.

EAT CELERY TO GET 'EM AND SEX 'EM

According to the authors of the new book, *Stay Young: Ten Proven Steps to Ultimate Health*, eating celery can not only help you to get laid, but it can help you to perform a lot better during the act as well.

Androsterone is a steroid found in human sweat that gives off a scent, or sex pheromone, that makes males more attractive to females. Because celery contains quite high levels of androsterone, eating it will increase levels of the steroid and the pheromone-secretion level in your body. Thus you should smell more appealing to a female.

Then, once you connect with the girl and get her to a bedroom, celery will also increase your sex drive and up the amount of your ejaculatory fluids, making your climax stronger and you seem more potent

The effects of eating celery are almost immediate, but don't overdo it.

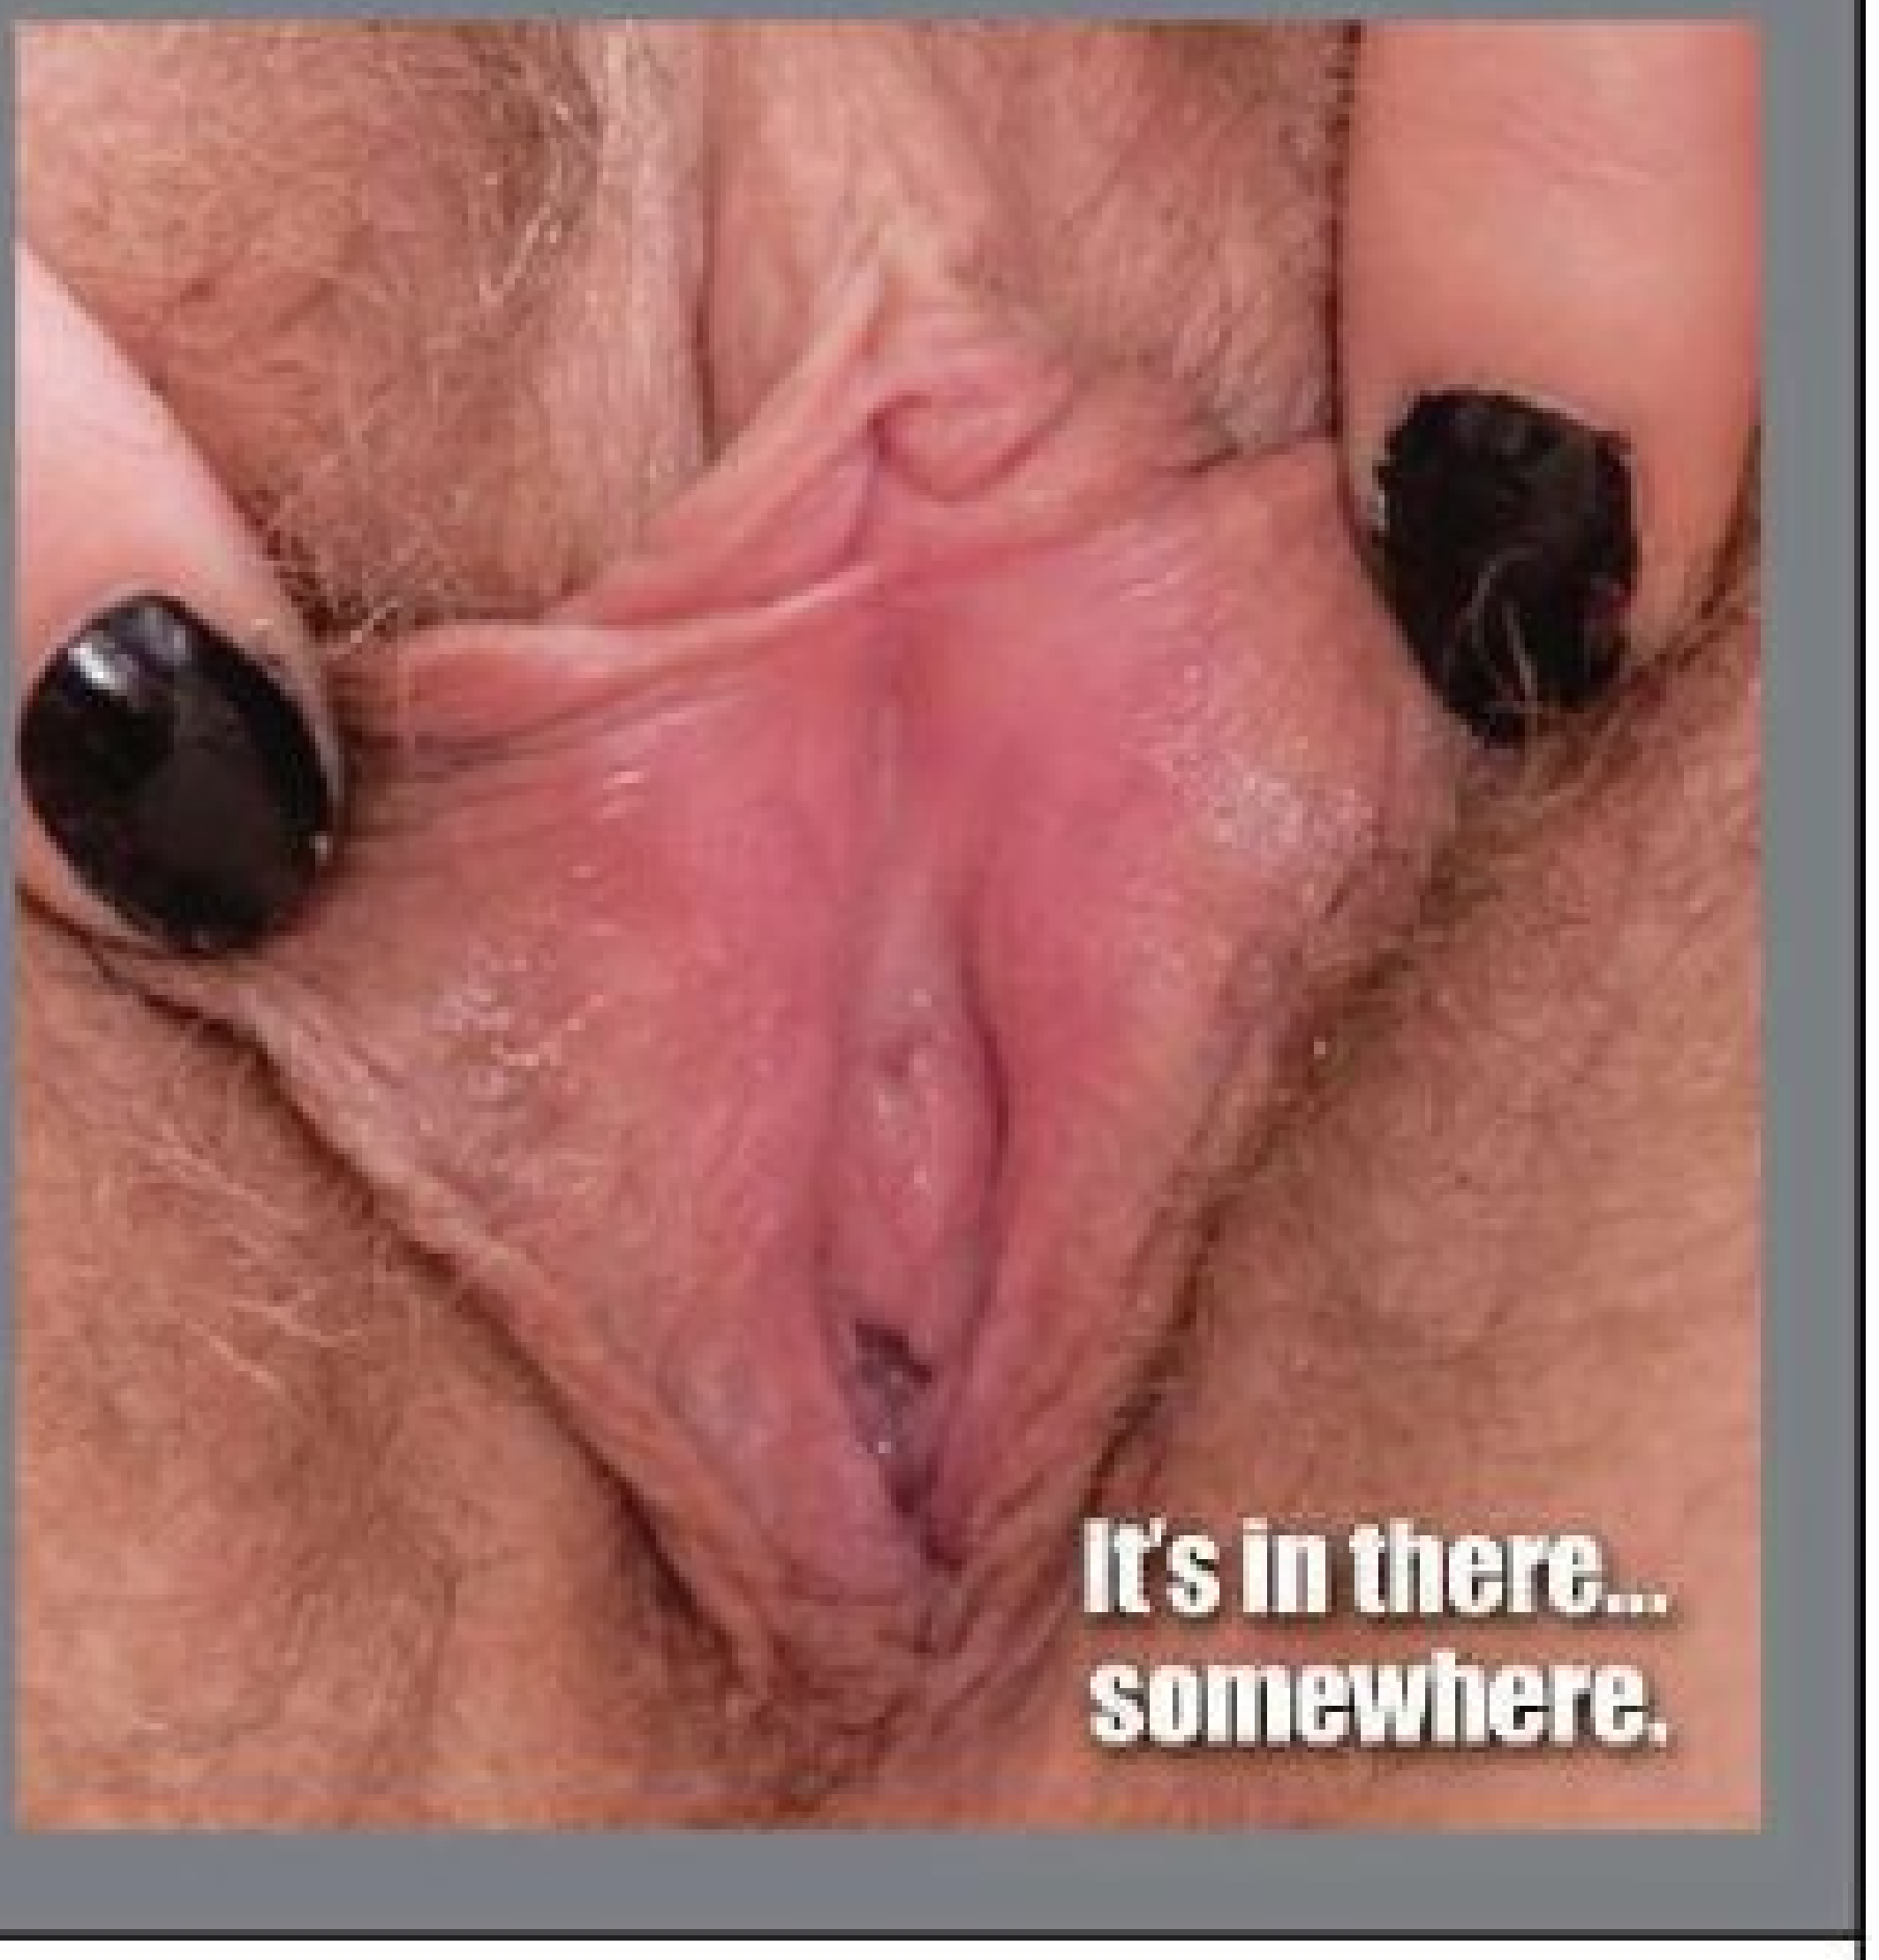
"We recommend that a guy work out, have a shower, chomp on a few sticks of celery, brush his teeth and then head out the door smelling good," says the authors.

BRIT G-SPOT RESEARCH FLAWED

In the July '09 *Sex Beat*, we reported that Dr. Andrea Burri and Dr. Tim Spectorr from King's College, London, had releases a study, *G-Spot: Fiction or Friction*, that professed to have determined "fairly conclusively" that the G-spot is "probably a myth," essentially forced upon innocent, G-spotless women by nefarious "magazines and sex therapists."

Now, Dr. Burri has backed down from the claims of her spurious study. She admitted her mistake and confessed, like a naughty schoolgirl, that "the methods we used may not have been appropriate."

This was after French researchers released a study claiming that the G-Spot does exist (August '09 *Sex Beat*) and sharply criticizing Burri and Spectorr for their unreliable research methods.



It's in there... somewhere.

HOW DO YOU FIT IN WITH THESE 100,000 OTHER GUYS?

In a recent survey of over 100,000 guys–predominantly from the U.S., Canada, Australia and the UK–by askmen.com, one in three said they had been sexually harassed at work, though 24 percent said it didn't bother them. While 22 percent said they would be very or somewhat likely to cheat on their partners if there was no chance they would get caught, 21 percent said they would like to track their partner's physical movement with a GPS implant if it were possible. On the question of sex, 54 percent said they were satisfied or somewhat satisfied with their sex life and 22 percent said they had no sex life. Of those having sex, 69 percent said they would take a male birth control pill if one were available and 32 percent said they had faked an orgasm. Only 52 percent of the guys said they have never lied about the number of sex partners they have had and, astoundingly, 62 percent claimed they have never told a female they loved her in order to get sex. Yeah, right!

Get more interesting results at Ask Men's Great Male Survey 2010.

HOW YOU CAN CONTROL PE

These excerpts are from a piece on danandjennifer.com by Lloyd Lester, author of *Ejaculation by Command.*

"The next time you feel the uncontrollable urge to climax, think about what makes you feel good. This will help "debug" your quick orgasm reflexes. For many guys, the positioning of the hips plays a huge role in defining how long you can last. Thrusting with vigorous hip movements can push you to the verge of climax very easily, especially if you engage in the conventional missionary position.

"Also pay attention to the positioning of your partner's legs during penetration. If her legs are closed tightly, more pressure and stimulation will be applied to your penis glans and if you aren't trained properly, you will likely last no more than a couple of quick minutes. Try spreading her legs apart during intercourse, thrust more deeply and rub your pubic mound against her genitals. You will last longer and she will derive more pleasure at the same time! You need to maintain your levels of arousal without allowing yourself to boil over to a climax.

"Maintain a steady tempo during penetration. Allow your thrusts to slowly gain momentum and when you sense you are fairly close to a climax, slow down, and if need be, withdraw entirely. Resume penetration when the arousal tapers off. Communicate with your partner why you are doing this. Her support will help you build greater confidence in your performance.

"Try alternating between deep and shallow thrusting. Shallow penetration will stimulate the sensitive nerve endings in the first two inches of a woman's vagina. Deep thrusting will present less friction and stimulation on your penis glans and help you rock on much longer!"

GUYS ON THE PROWL NEED THIS FOR THEIR IPHONES

PinPointsX is an iPhone app that geo-locates your area and shows you all the bars, nightclubs, hotels and massage parlors that are closest to you. It's already been called the heterosexual Grindr for meeting up with complete strangers and fucking them.

The interactive "passion map" gives members access to all the other slutty people around them. If you see someone you like, you can call them (they have to accept before the call is put through) or message them. Like other dating sites, you can do detailed searches, too.

What's even better is that you can rank the people you meet. Not sure if you should meet Shelterbelt? Check out what all of her other partners have to say about her.

You can find all the details, become a member, etc. at pinpointsx.com

ALL JACKERS NEED A MAN BIB

Jacking off is damned messy. You need toilet paper, tissues or a sock to take care of the aftermath. Problem solved! Just use a Man Bib, $25 from TheCheeky.com

The machine washable bibs tie around your dick. They come in camo for the hunter, denim for the cowboy, leather for the biker, tartan for the Scotsman, "Studio55" for the metrosexual, and "High School Musical" for the guy with a Peter Pan fetish.

WEAR RED…ATTRACT WOMEN

Hey guys, if you want to attract women, you should start wearing something red regularly, according to a study published in the *Journal of Experimental Psychology.* Young females were found to view young men wearing red clothing as being higher in status and more likely to earn a better living. This made them more attractive as potential dates/partners/mates.

The study was conducted by the University of Rochester Psychologist Andrew Elliot who was the lead author. He had co-authors in Europe and China.

In four parallel tests, a total of 288 single, female and 25 single, male students in the U.S., England, Germany and China looked at photographs of a young guy in which his shirt had been digitally recolored either red or another color. The females in all countries said that the red shirt made the man appear more powerful, attractive and sexually desirable. But it didn't make the guy seem to be more likeable, kind or sociable.

The women had the same responses when looking at another young guy's photos–in a red shirt–that were framed by a border of either red or white.

We are pleased to report that looking at all the photos had no effect on any of the males.

OLDER WOMEN MAY BECOME LEZZIES

Back in 2006, *The More Women Like Sex, The More They Like Women,* said a local newspaper headline above a report that researchers at California State University had found that 8 percent of women are attracted to their own sex–as compared to just 0.3 percent of men–and highly-sexed women are 27 times more likely than men to become attracted to their own sex.

These days, there is an increasing trend of "late-blooming lesbianism"– women who have heterosexual relationships (and even children) until their thirties or later, and then switch to a preference or exclusivity for women. Cynthia Nixon, (Miranda from *Sex and the City*), singer Alison Goldfrapp and actress Portia De Rossi fall into this category.

Psychiatrists, psychologists and others are at a loss to explain why this ever-growing trend is happening, other than to relate it to the more widespread acceptance of homosexuality among females these days which may make it easier for a female to come out of the closet, admitting to a previously-hidden desire which she felt that family, friends and society would find unacceptable.

WHAT NOT TO DO IN BED

From a weary babe at thefrisky.com, comes this list of the worst things a guy can do before or during a sexual encounter to completely turn off his lover and, possibly screw up his chances of a repeat encounter with her. So, check them out guys.

1. Hassling me about using a condom. **2.** Not even trying to get my bra off. **3.** Hanging a mirror next to your bed so you can watch yourself. **4.** Making so much noise I nearly pop a vocal chord trying to fake an orgasm. **5.** Forgetting to clip those daggers you call toe nails. **6.** Putting in porn you know I don't like. **7.** Getting so bossy with sex directions I feel like your dick is a piece of Ikea furniture I'm trying to put together. **8.** Not stopping when I say "ouch," "stop," "don't" or our safe word—"Hillary Clinton." **9.** Suggesting my best friend would make for the perfect threesome.
10. Being totally closed off from the idea of incorporating sex toys. **11.** Expecting me to do all the work on top.
12. Saying my body is a "wonderland" or other cheeseballs.
13. Grabbing me by my ears or pushing my head.
14. Being too gentle; I'm not made of porcelain.
15. Not reciprocating foreplay. **16.** Skipping foreplay altogether. **17.** Licking me like a dog. **18.** Trying to sexy roar like a lion. **19.** Jack hammering. **20.** Not showering. **21.** Not asking what I like. **22.** "Accidentally" slipping it in my butt.
23. Asking to me to masturbate when you're too lazy to finish the job you started.

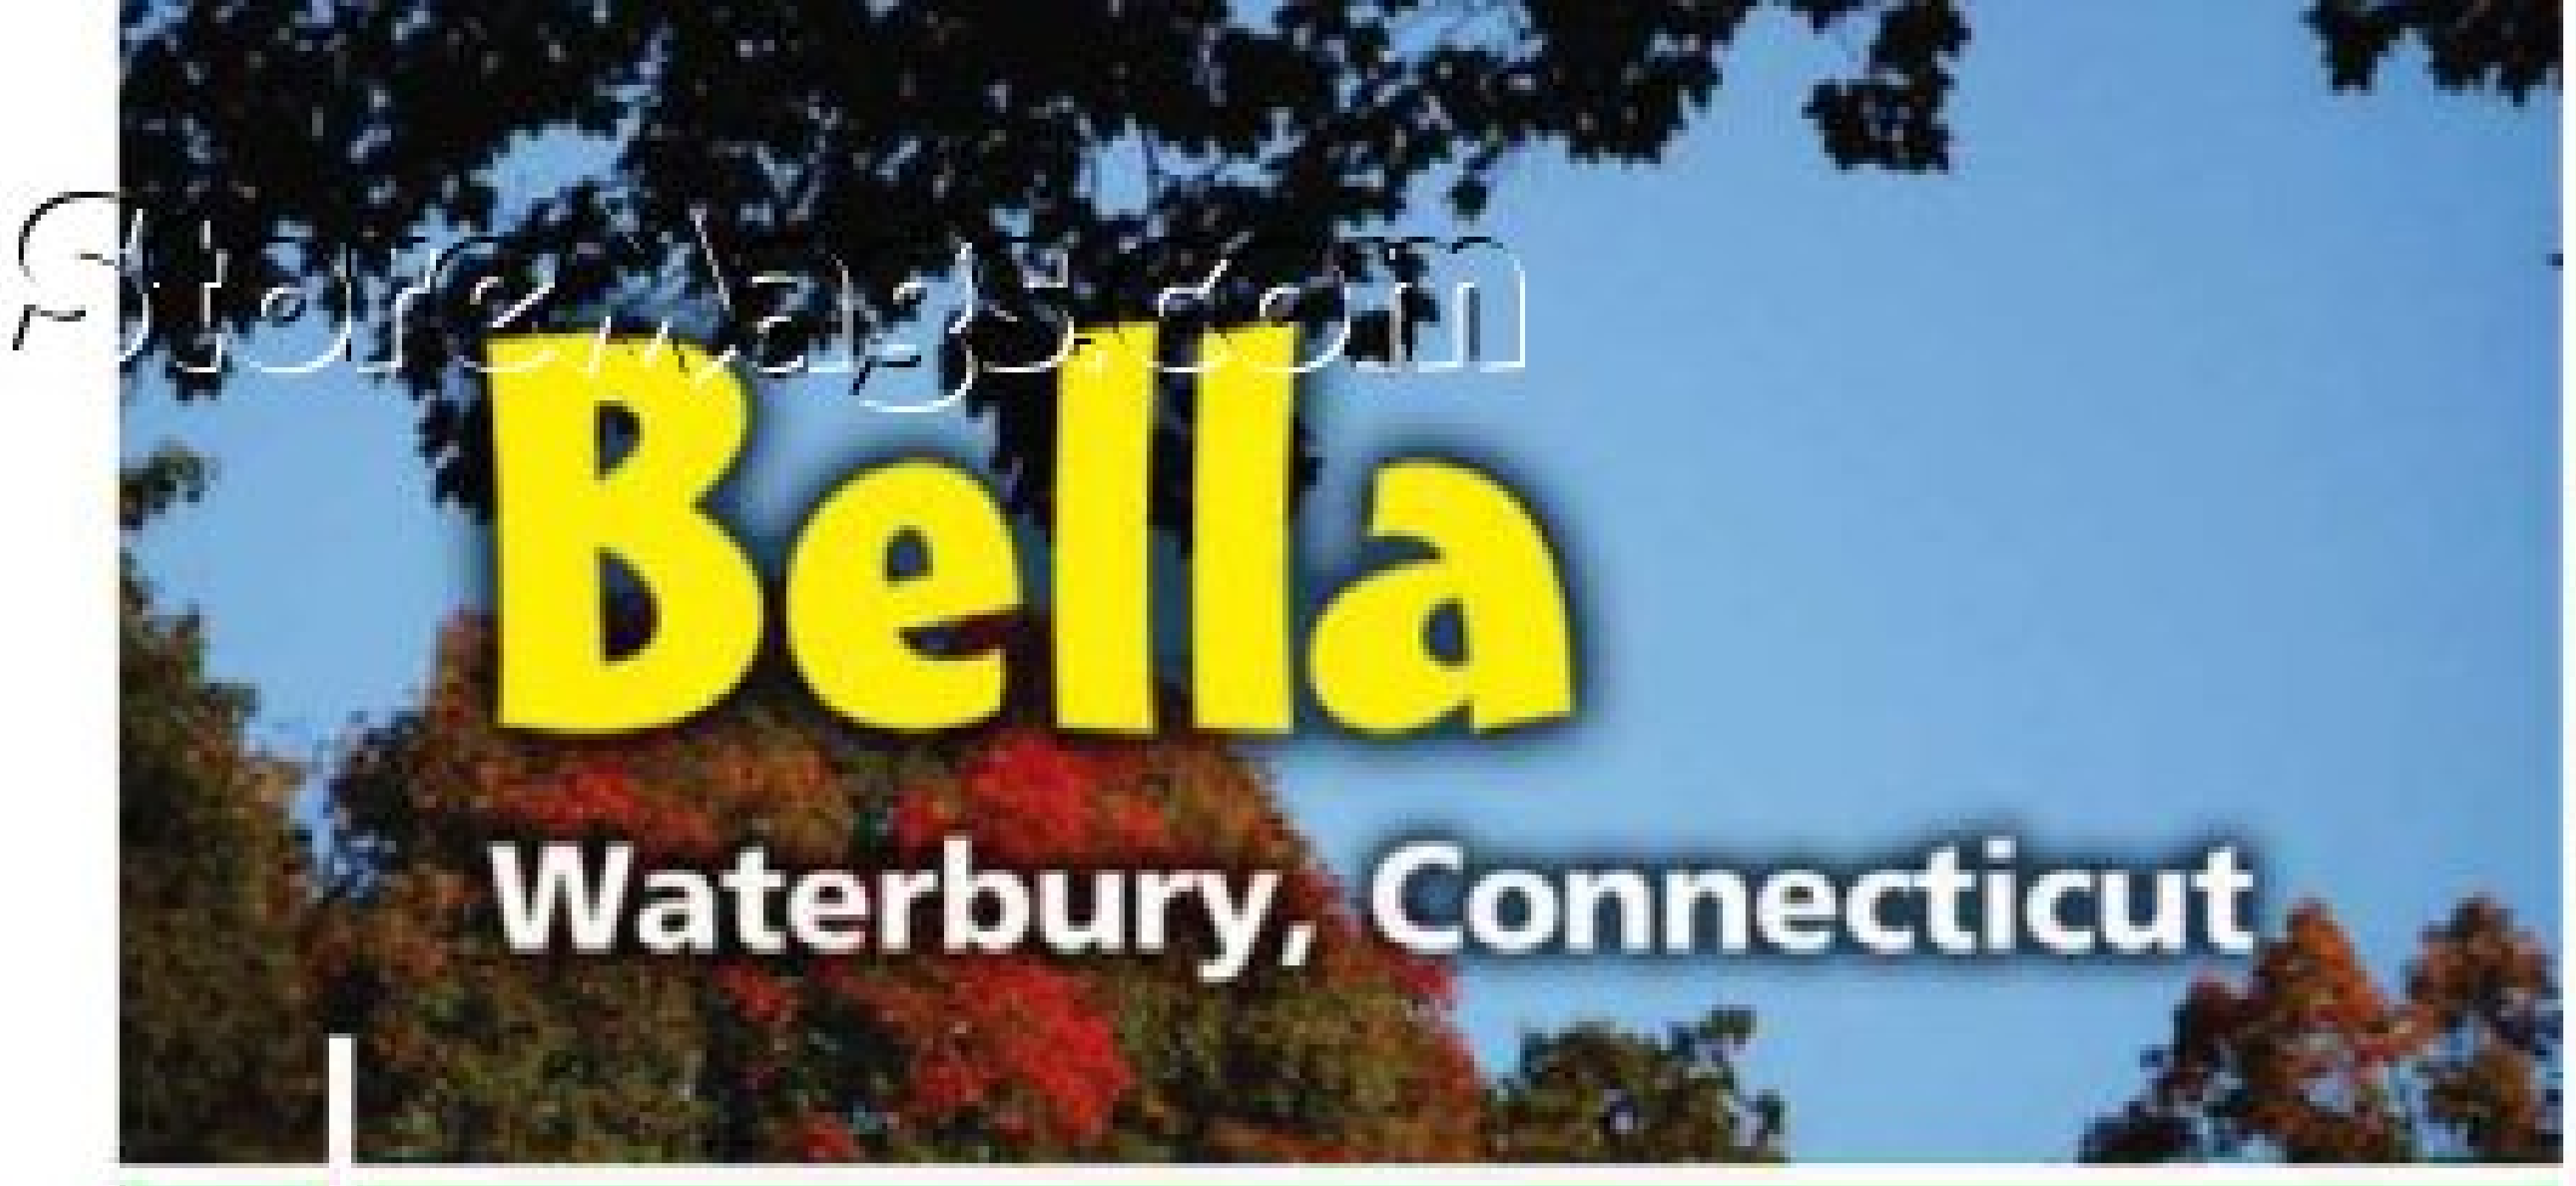
TO HELP YOU REMEMBER ANNA, THE SEXY SPY

Do you remember Anna Chapman? She was one of Moscow's 10 "sleeper" spies rounded up earlier this year by the FBI and deported back to Russia as part of a spy swap. If you want something to remember the sexy, 28-year-old by, you can go to Herobuilders.com and get an action figure of the flame-haired beauty for $29.95.

They have two versions to chose from. "The Predator" figure features Anna in a white cropped vest with high-waisted jeans and a black revolver. "The Spy I Could Love," figure is wearing just a tartan skirt.

Anna's ex-husband, a Brit, said she was awesome in the sack and knew exactly what to do to please her man. She loved using sex toys including nipple rings and whips and enjoyed posing for naughty photos. (She sounds like a 100% *NN* babe!) Did she learn her lovemaking skills in Russia as part of her spy training, we wonder?

She's also eligible to enter the *Naughty Neighbors* Hall of Fame.



Bella

Waterbury, Connecticut

Office worker **Age** 22 **Born** July 22
Ht: 5′ **Wt:** 120 lbs. **Bras:** 34B or none
Panties: Thongs **Anal:** A finger feels great
BJs: Love to! **Diddle:** Not very often

"Good Catholic, Italian-American girls like me aren't supposed to get naked for a magazine, but I've wanted to do this ever since I snuck peeks at my older brother's porn mags when I was, like, 18 and 19," said Bella. "That was before he moved away. Since I left home, too, and got my own apartment, I've dated lots of guys, but I never got close enough to one of them to tell him about my desire to be in a mag. But the guy I'm dating now confessed to me that he reads *NN,* so I confessed that I'd love to pose for him. And here I am."

Sex with Bella

"A guy can get me off two or three times as we're screwing if he takes his time. I prefer to be on top to cum, but I love doggie-style because it feels kinda dirty. I love feeling the guy cumming deep inside me."

"I've been in a bunch of wet t-shirt competitions at bars since right back in my college days, but I never won a prize," Bella said. "I loved having all the guys check me out and make dirty comments and stuff. It kept me busy diddling at night for weeks after each time I did it. I could probably be talked into entering an amateur strip-tease competition, especially if I had a friend who was gonna do it, too. But for now, exposing myself for guys all over the place to see and get off on will be thrilling enough for me."

Layla is used to bitter sub-zero temperatures, so it's no wonder that she loves tanning in a skimpy bikini under the hot Miami sun. Things get even hotter when her pussy squeezes a cock and creams all over it. Sasha is a naughty Latina teen who's just plain horny. She gets fucked ourdoors and squeals with pleasure throughout her dicking. It's ginger-babe Mandy's lucky day in her scene. Half-way through fucking one guy a brand-new cocksman steps in and takes over. Kalie is a horny, curvy babe who is also a pro cock-rider. Watch her ass and tits bounce as she goes wild on top. Do you have a big appetite for bushy babes? Amanda is sporting quite an attractive bush between her legs. It's fuzzy, but not so much that it obscures the sight of a hard cock splitting her pussy lips. Nella is a party girl from Long Island who came to Miami to fuck. Her trip is successful as she gets her pussy pounded on a couch, and takes a load on her face with a big smile. Alexa is a shy, nice girl from Pennsylvania who is doing porn on a dare! She's not the kind of girl you'd expect to see doing hardcore, and that's what makes her scene so hot! Minnesotan Ali has fantasized about getting sexed by a stud, and now her dreams are cumming true. She definitely looks young enough to be carded, but we double checked and she's legal…albeit barely!

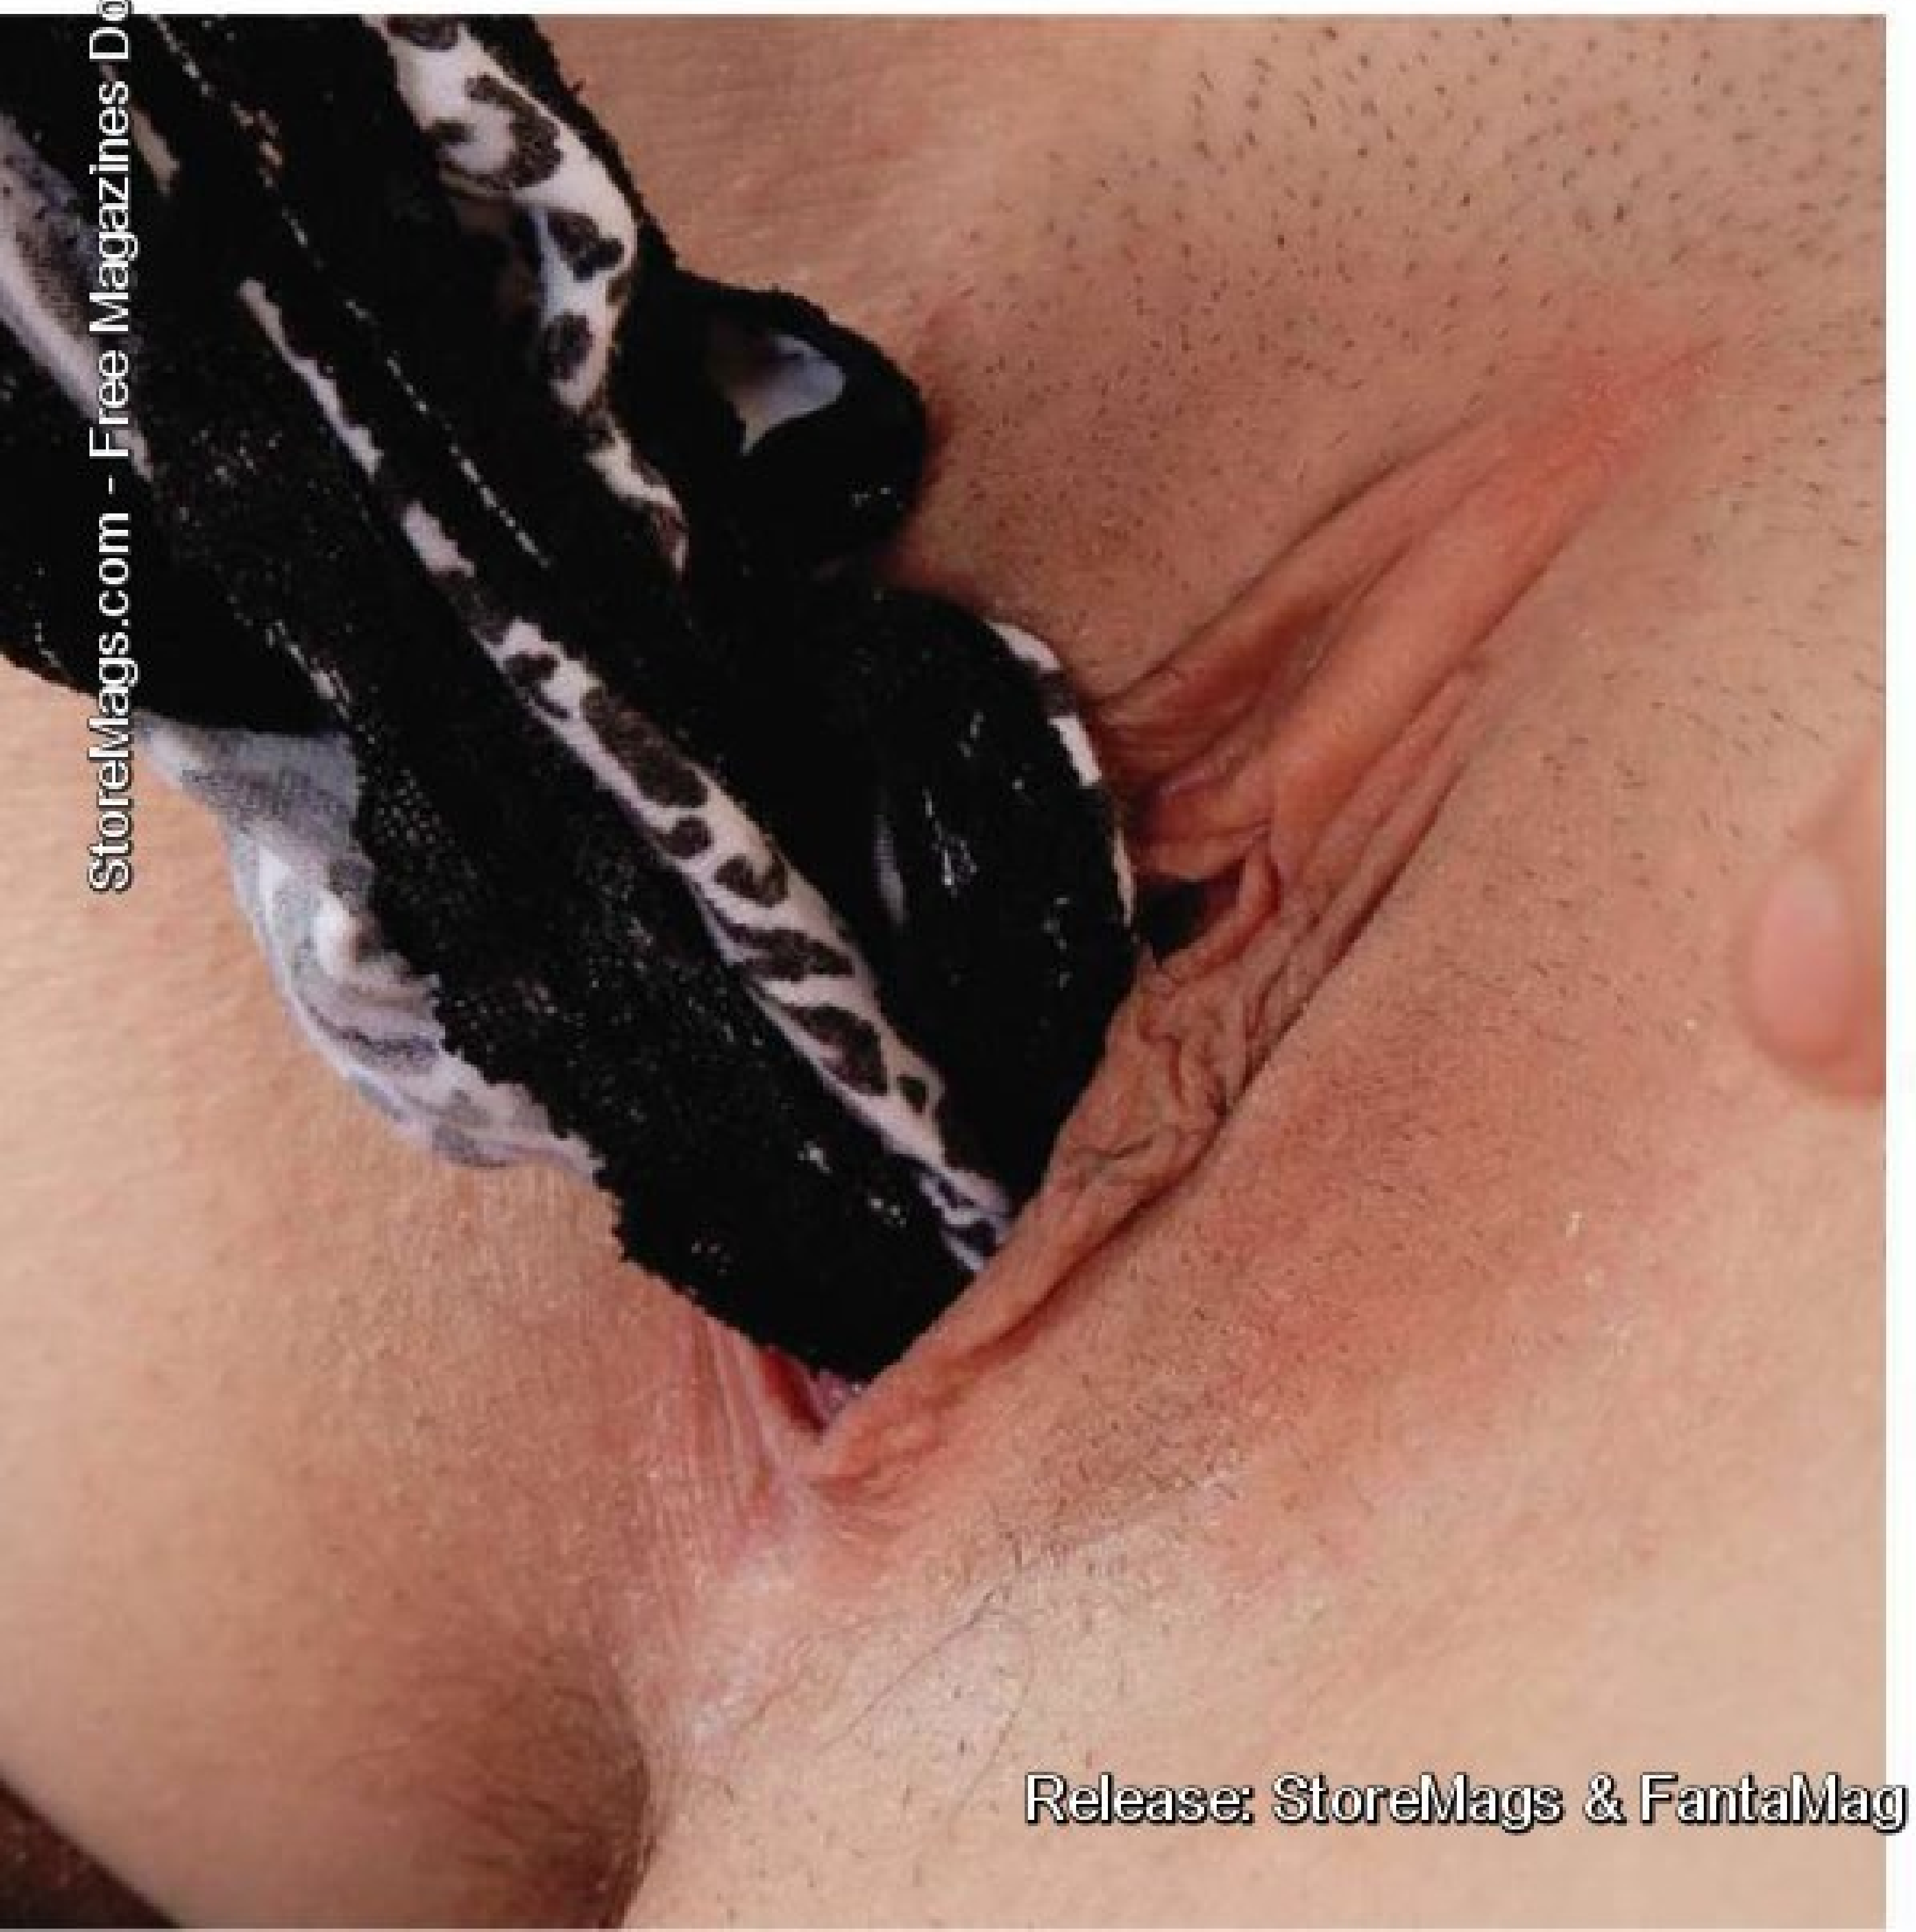
Ht: 5'6" **Wt:** 125 lbs. **Bras:** 34C
Panties: Whatever's sexy **Anal:** Not yet
BJs: I enjoy it **Diddle:** On randy mornings

"I took my own photos," said Emzii. "I just dumped a bloke because he was far more interested in watching his bloody football and talking to his mates about it than he was in spending time with me or even shagging me. I like watching a game now and then, but I like to go out for a few laughs and a meal on weekends, and I love to spend time in bed having sex. A friend of a friend was in *NN* a while ago–I saw her photos–so I found out from her what was needed to be in the mag as well. I think my body's sexy: I hope all the readers do, too."



Shagging Emzii

"I like to start off doing it missionary, then ride the dick for a bit before we go doggie-style to get me off. I cum best that way—loud, wet and thrashing about. Then, if he hasn't cum, I'll do it any way."

BJs: I do it good **Diddle:** In the shower

"I got my boobies when I turned 20 because I was barely an A-cup and I felt bad about the way I looked, said Carmen. "Before I got my implants, I'd sleep with pretty much any guy who came on to me 'cause I was flattered, I guess, that he was paying attention to little ol' flat-chested me. But now I can be picky 'cause there are always lots of guys dying to get into my panties. So I'm having a great time and tons of sex. I'd rather hook up with a guy than go in for serious dating. That time will come I'm sure, but now I'm having too much fun and too many orgasms."

Screwing Carmen

"Treat me with respect and show me a good time. Don't ask for sex; I'll tell you if I want to screw you. I like to cum from oral first, then I'll go wild on your dick and cum over and over...if you can handle it."

HOW TO GET HER TO DUMP YOU

Then...EX-SEX

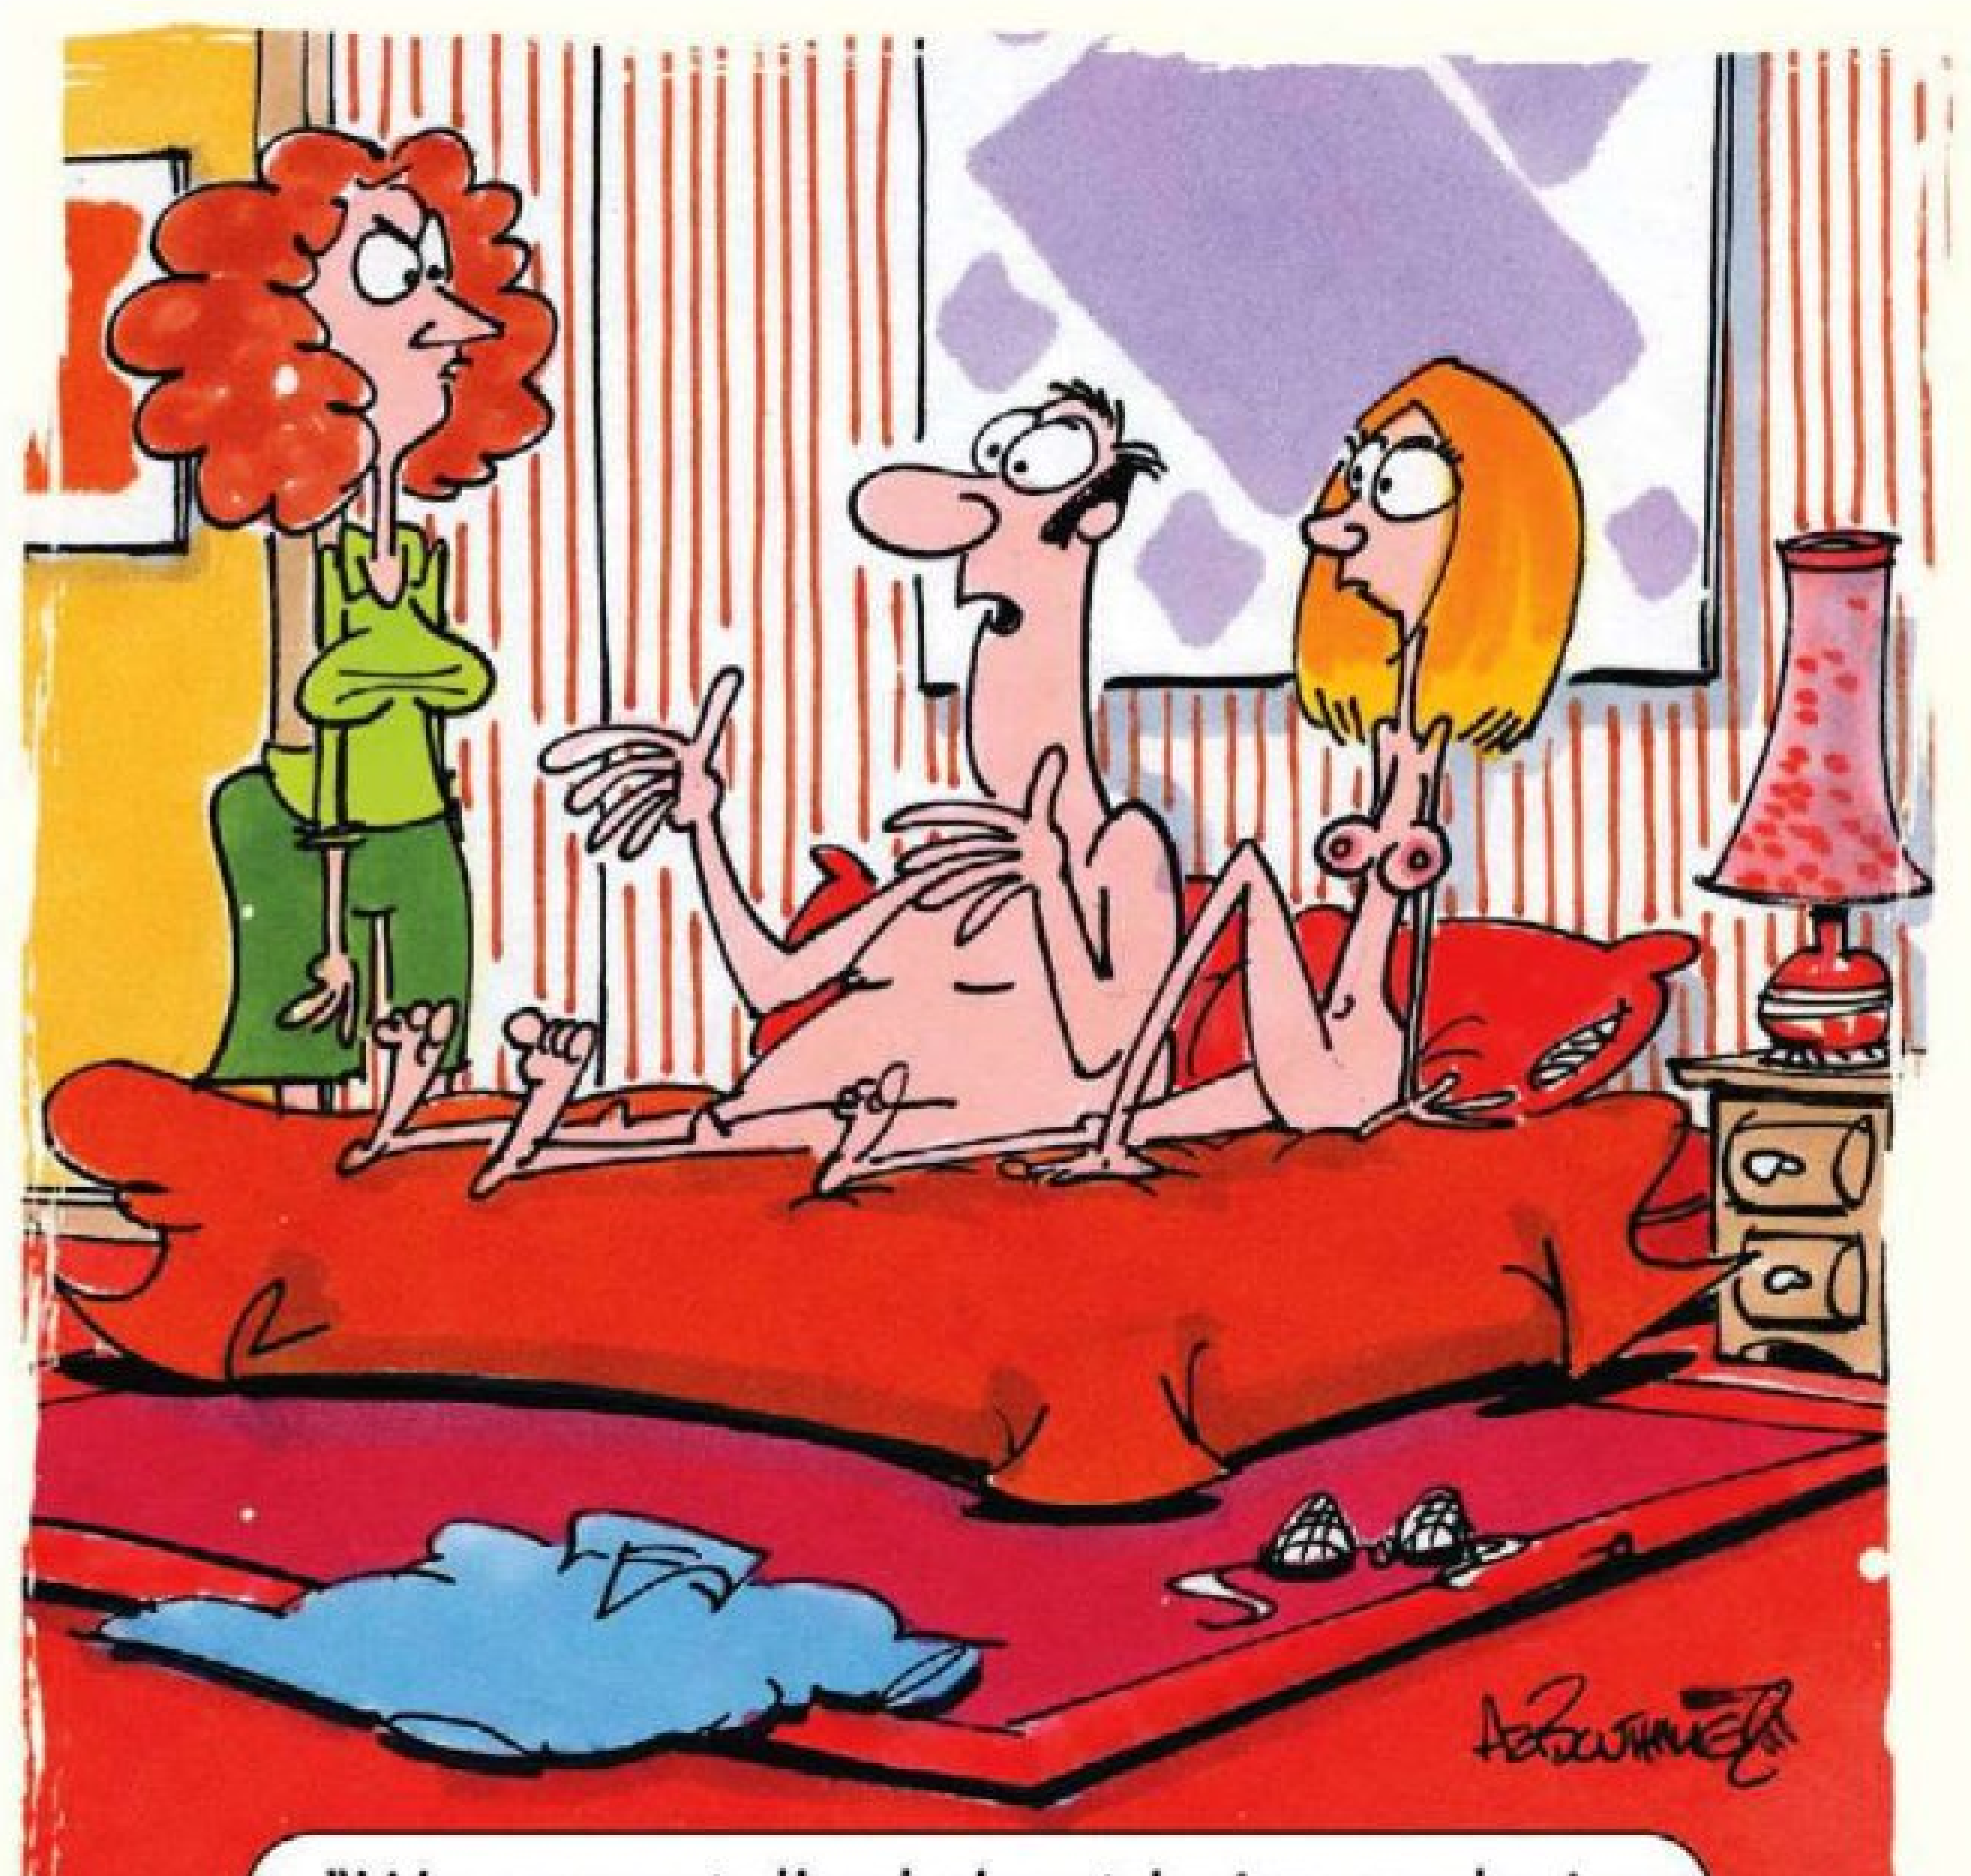
YOU'VE DATED HER FOR A WHILE, BUT YOU WANT OUT. NOW YOU'VE FOUND OUT THAT SHE'S ONE OF THOSE CHICKS WHO DOESN'T KNOW THE MEANING OF, "BUT WE CAN STILL BE FRIENDS." DRASTIC MEASURES ARE CALLED FOR. PLUS…HOW TO HANDLE THINGS IF YOU'RE HORNY AND START BANGING HER AGAIN.

By David Hamilton

I'm sure most members of the Naughty Nation have seen the TV show, *Two and a Half Men,* and have laughed at Charlie's encounters with Rose, the clinging-vine, ex-one-night-stand who won't let go of their "relationship."

What can you do if you're the poor bastard who has a clinging-vine girlfriend who won't hit the road? A bitch who can't get it through her head–or refuses to accept–that you want to break up with her. It's simple: you must adopt a ruthless attitude and get rid of her by any legal means.

Any of the following 30 techniques–from mild to extreme–can be used. If she stays with you after this bombardment, then maybe she's worth keeping after all. But if she turns out to be like the Glenn Close character in the movie, *Fatal Attraction,* then you're on your own, sorry, buddy.



"We never talked about being exclusive and, besides, she's way hotter than you."

1. Invite her and her parents out for lunch. Say you've been having a discussion with the guys at work, then ask her folks if they agree that anal sex is the best alternative to abstinence.

2. Cry out an ex-girlfriends name when you're cumming during sex or a blow job. Next time, use a different name.

3. Leave a gay-porn website on your computer screen, and tissues with dried spunk nearby when she's coming over.

4. Insults always work. Tell her that if she lost 35 pounds she'd be really hot. Say that even if she gets nose and chin jobs, she still won't look sexy. Tell her that makeup doesn't really hide her zits. Tell her that liposuction is pointless: some women are just born to be heavy.

5. Take her out for an expensive dinner. Say you forget your wallet and make her pay the check. When you go for a nightcap afterwards, dip into your wallet and overtip the female bartender or waitress. Then say, "Oh, I didn't forget my wallet, I was just saving my money for something really important." Don't offer to reimburse her for the dinner.

6. Talk her into doing your laundry, and give her a pile of skid-marked underwear.

7. Pick your nose, examine your boogers and flick them in front of her friends.

8. Ask her to set up a threesome with one of her friends. If, by some miracle, she agrees, bang the shit out of the friend and ignore her.

9. Let her catch you fucking another girl.

10. Get drunk and hit on her sister or one of her close friends.

11. Fuck her sister or her best friend.

12. Take up cigar smoking, poker playing or horse or dog-track gambling. Talk about nothing else and claim to have no money to take her anywhere.

13. Don't wipe your ass properly after going to the john, then ask her to 69… you on top.

14. Fall asleep as she's giving you a BJ.

15. Eat her pussy till she's nearly cumming, then stop and say, "Sorry babe, the basketball…football …baseball game on TV is starting."

16. Keep an ex-girlfriend's photo in your wallet or on your cell phone. Take it out frequently, look at it and sigh. When she asks you what's wrong, just shake your head, sigh and stare at your feet.

17. Take naked photos of her with your cell phone and post them online–with her phone number or email address–on swingers' sites and the like. When she confronts you, tell her you thought she'd enjoy the joke. But don't take the posting down; put more on different sites.

BUSHY BABY

HELENA VANCOUVER, CANADA **AGE 32**

Helena works in the office at a rental apartment complex. She is 5'6", weighs 158 pounds, wears 34C bras and likes sexy, cotton panties. "The way I have my pubes is a compromise," she said. "See, I get really wet during sex and add to that the fact that I love for guys to cum inside me and it can get kinda messy down there. So I keep my pubes cut short around my pussy and my butthole, too, because I absolutely love anal. But I'm kinda different there, too, because I like for a guy to screw me and cum inside me–with me–then just do my butt when he's ready to go again. And I'll cum again."

"I'm like a cougar-in-training because I go for guys in their early 20s," said Helena. "I have a big sexual appetite, and most guys around my age can't get it up often enough–quick enough–to keep me satisfied like younger guys can. I love having two guys at once because it's an awesome experience. But not all guys will go for it. Some of them get too uptight about having their dick so close to another guy's dick. Orgasms? I always have two or three during regular or butt sex and they're always very powerful. Guys love it when I cum."

Cali

Fresno, California

Student **Age** 20 **Born** August 11
Ht: 5'6" **Wt:** 123 lbs. **Bras:** 34B
Panties: Comfy cotton **Anal:** Not for me
BJs: I like doing it **Diddle:** Quite often

"I got my roommate to take these photos because I don't have a boyfriend and I want to show the world that I'm a naughty girl and not a damned goodie-goodie," said Cali. "I've been told that guys won't ask me out because they think I'm real prudish and straight when, in fact, I'd most likely put out on a first date if the guy was hot and I liked him. So, I figure once word gets out that I posed for *NN,* (my friend will make sure of that) the guys will change their opinion of me and I might have a better social life. I just wanna get laid!"

To score with Cali

"Treat me good and make me laugh and don't push me for sex: you'll get it soon enough. I like to get off from oral before we screw. I'll try sex any way, but I love to cum so I can see your eyes if you cum with me."

Lizzie

Garland, Texas

College student **Age** 18 **Born** June 27
Ht: 5'7" **Wt:** 130 lbs. **Bras:** 34C
Panties: Thongs **Anal:** Love to try it
BJs: I'm good at it! **Diddle:** Quite often

"I'm taking environmental studies, but it's awful hard and I'm a bad student, so I'm probably gonna drop out," said Lizzie. My folks are a bit pissed, but they don't want to waste money, either. I posed to get money to keep me going till I get a job. I'd like to work in a music or clothing store. I love music and clothes and talking to people, so I'd be good at it. But I'm really thinking hard about moving to LA with my girlfriend to do porn full time. The money's great, I love sex and I wouldn't care what people might think or say."

Lizzie's fantasy?

"I'd love to be with two guys. I'd start by giving them BJs and have them lick me off, then I'd take one in my pussy and one in my butt. I know it would make me cum more than once. It would be so awesome!"

Is this what whores drink when they have the flu?

My wife said...

I arrived home from work the other day and my wife said to me, "I'm fat, ugly and look horrible. Please give me a compliment to build my confidence back up."

"Well, your eyesight is perfect," I said.

Firefox down

My wife turned on the computer first thing this morning, then called to me, "It says Firefox had crashed and would I like to recover all the tabs from the last session? That'd be yours from last night."

I must have travelled 30 feet in two steps to tell her, "I'll fix it, babe."

Ugly girl joke

I went up to an ugly girl in a bar and asked if she had a pen. She got all excited because a guy was talking to her, so she gave me a smile and said, "Yes, I have."

As she reached for her handbag I said, "Well, you'd better get back in it before the zoo keeper finds that you escaped."

First memories

Three guys in a bar were arguing over who had the best memory. The first one said, "I can remember my first day at elementary school."

The second guy said, "I can remember my first day at nursery school!"

Not to be outdone, the third guy said, "That's nothing! I can remember going to the senior prom with my father, and going home with my mother."

No pleasing

There's no pleasing some women! I spent $4,000 on a boob job for my wife. She was ecstatic. I spent $2,500 on a nose job for her. She was delighted. But I spent a lousy $50 on a blow job for myself and she went fuckin' ape-shit.

Quickies

- According to my girlfriend, I'm "the nosiest person she has ever met." I just wish she had the guts to say it to my face instead of writing it in her diary.
- If women are so great at multi-tasking, why can't my girlfriend have a headache and give me a blow job?
- Researchers have announced that a long ring finger may mean you're a prostate cancer risk. On the plus side, you're well equipped to detect it early.
- My wife gets really annoyed when I use the word cunt. I suppose she's got a point; I really should make the effort to learn her mother's name.
- People always say that laughter is the best medicine. But it hasn't helped my erectile dysfunction at all.
- Women will never be equal to men until they can walk down a street with a bald head and a beer gut and not get called a lesbian.
- Tiger Woods' golf game has gone all to hell. People say it's because he's too stressed. Anybody else think that he just needs to get laid?
- I told my new girlfriend that giving me a blow job is a lot like scuba diving.

Coming up too quickly can be very fuckin' dangerous.

- What's the difference between God and Bono? God doesn't walk down the street thinking he's Bono.

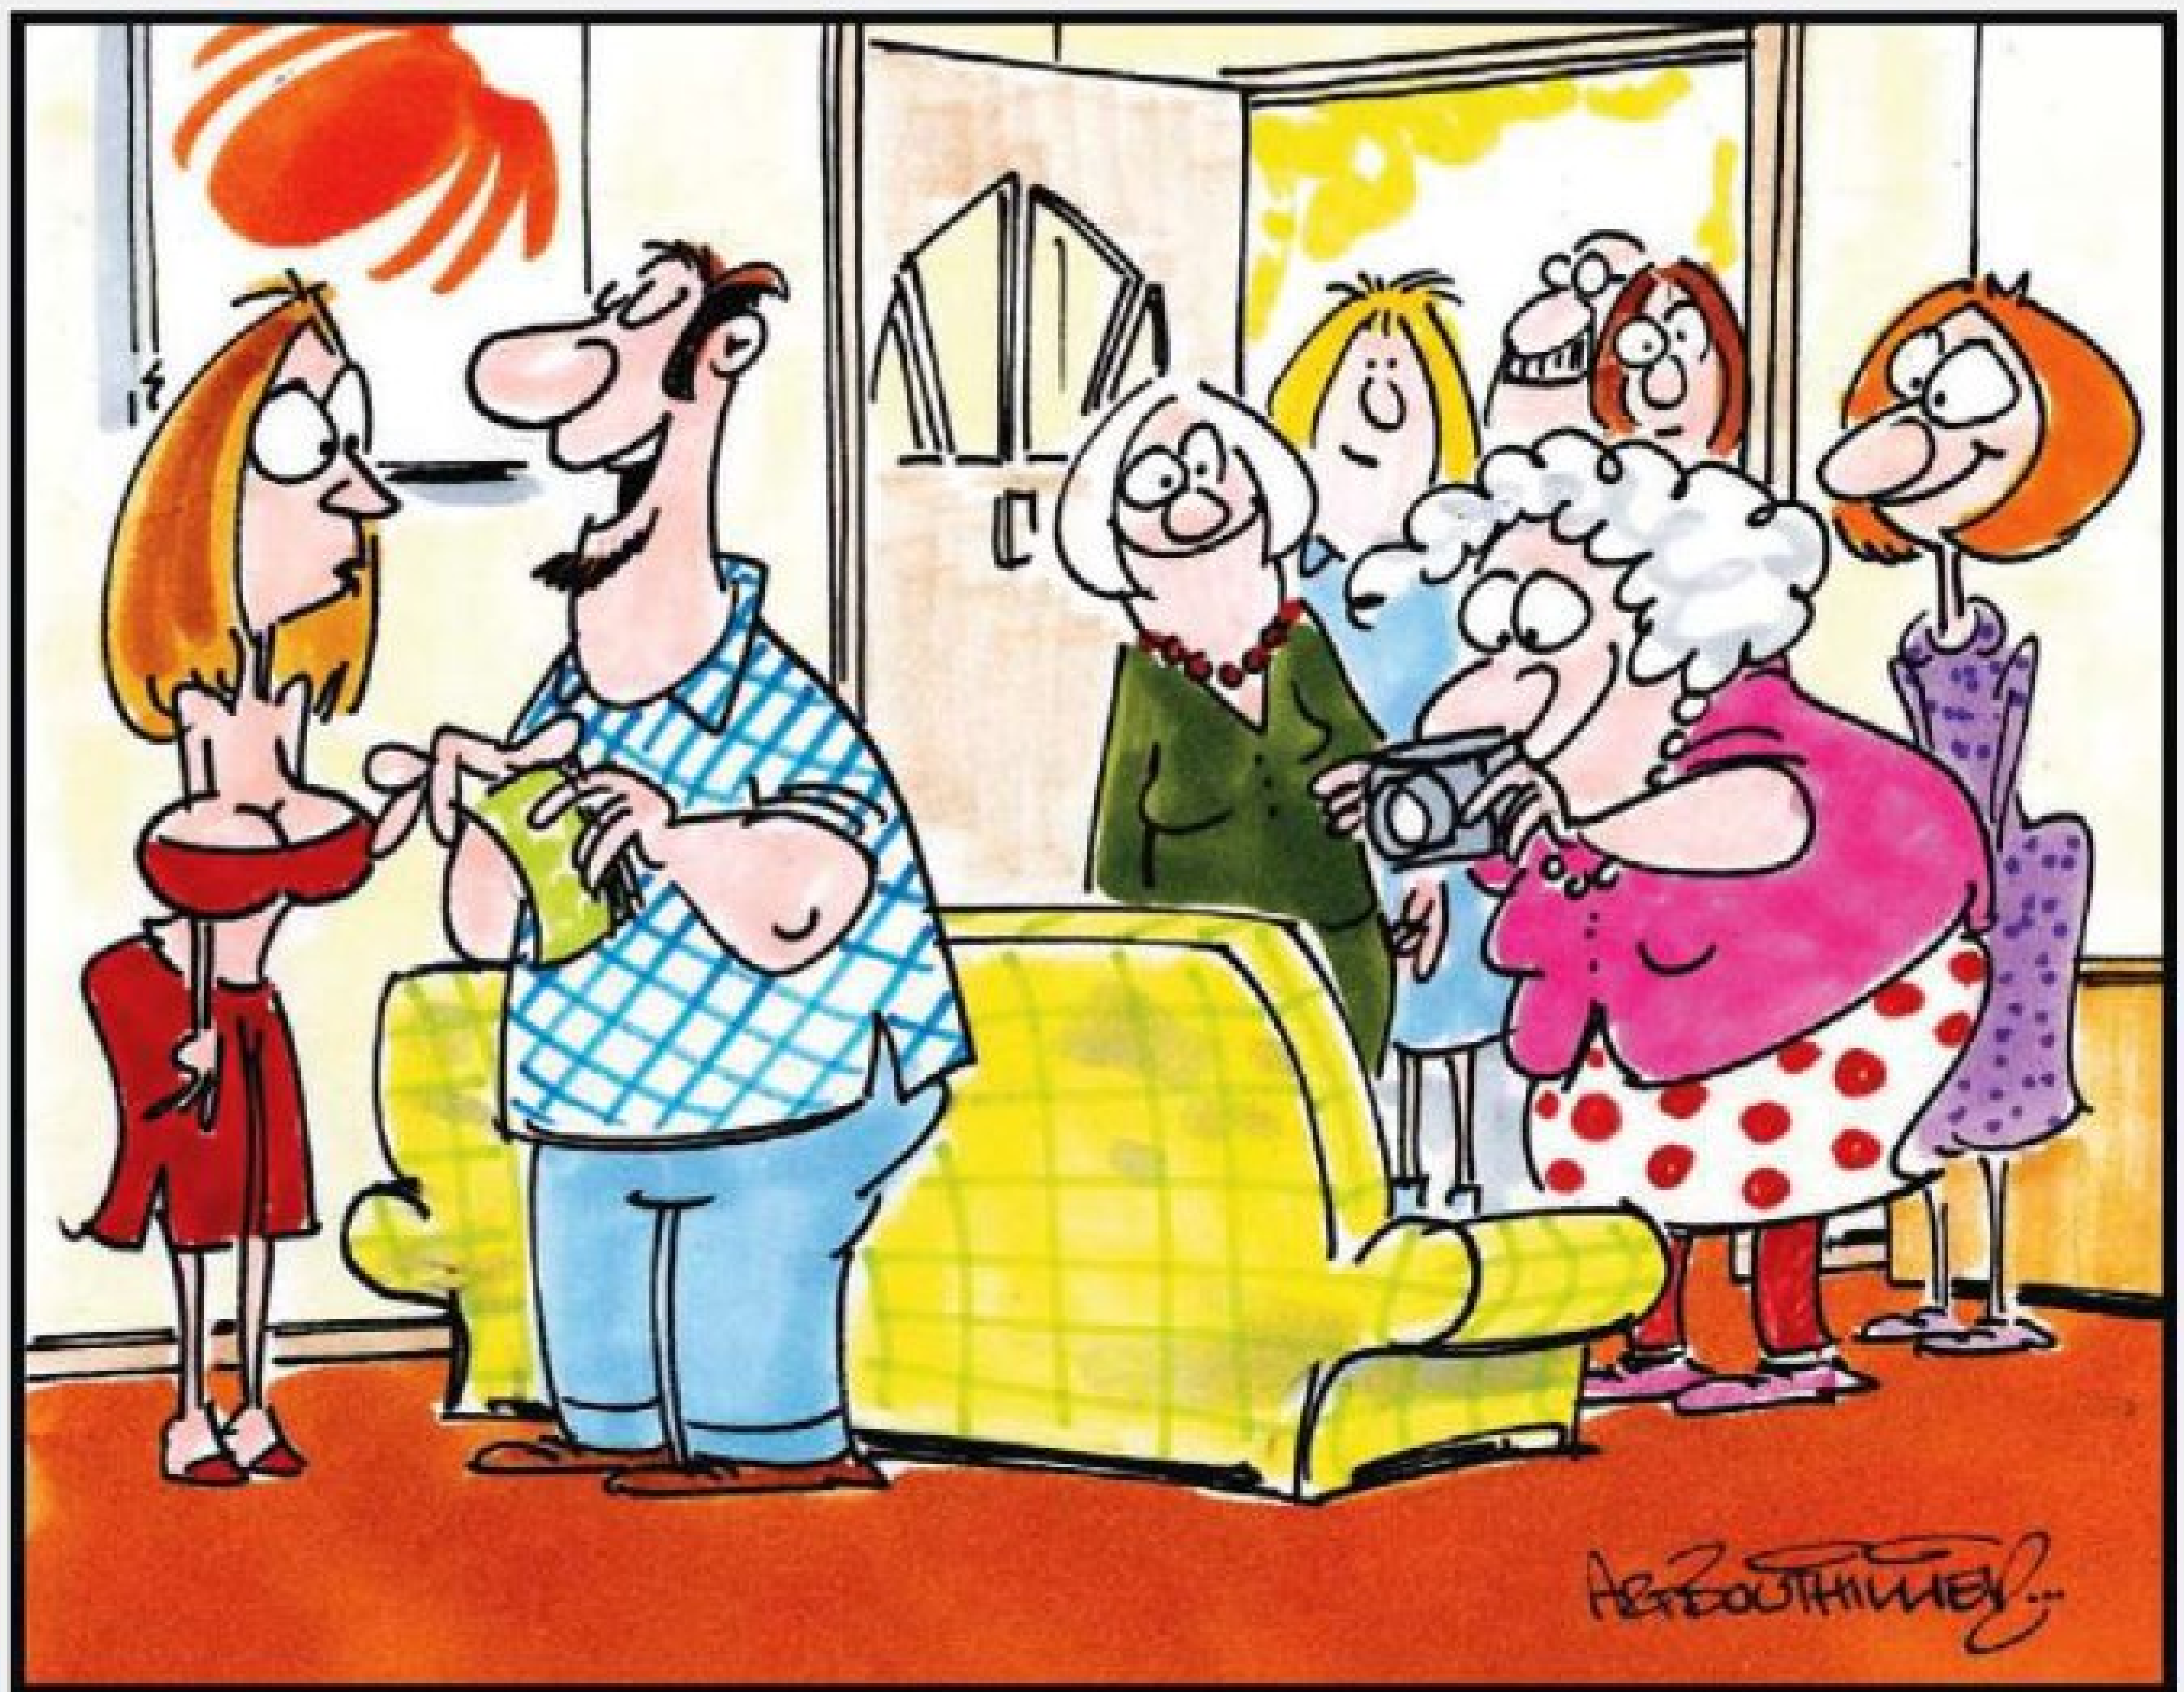
My girlfriend had me fucking her again and again last night. This morning, I asked her, "So what made you so horny last night?"

"I wasn't" she said. "I only had one tampon left and I wanted to save it until this morning."

- My wife said she's going to leave me, but before she does, she's going to make sure that my bank balance is zero.

That will be real nice of her; paying off my overdraft.

- My wife is so bad at fucking that I just close my eyes and pretend that she's my hand.
- My muslim girlfriend has promised me a blow job when she arrives back tomorrow from Pakistan. I don't know whether to make sure my dick's clean or warn Homeland Security. NN



"I'm charging them ten bucks each to see that cum stain that looks like the Virgin Mary."

Monica

Tampa Bay, Florida

College student **Age** 19 **Born** Nov. 11
Ht: 5'4" **Wt:** 105 lbs. **Bras:** 34B
Panties: Lacy **Anal:** With special guys
BJs: Very good at it **Diddle:** Most nights

You got an introduction to Monica back in our October '10, all-cougar issue when she posed with her mom, Jessica, who is 53. What a mother-daughter combo eh? No, guys…they don't do threesomes, sorry! These are the solo pics that gave us our first glimpses of Monica, before she did the duo act with her mom. And who took these photos? It was Jessica…who else!

"If I can still look as sexy when I'm 53 as my mom does, I'll be real happy," said Monica. "She has a great sex life–better than mine some of the time. (Yeah we talk about anything, and I mean anything!) My mom's a cougar, and she doesn't have any trouble hooking up with younger guys when she wants some action. She always brings a guy home, but our bedrooms are on different sides of the house so I don't hear sex noises and stuff. The guys who get to stay over and weren't sent home in the middle of the night because they sucked in bed are always surprised to see me in the kitchen in the morning in one of my sexy, little teddies."

Monica's favorite fuck

"On my back with my legs on the guy's shoulders so he can do me slow and deep and play with my nipples, and I can rub my clit. I have the strongest orgasm that way; perhaps two if the guy can control himself."

"My mom doesn't go with a younger guy more than three or four times," said Monica. "Sure, there have been three or four of 'her' guys–just a few years older than me–who have asked me out and I've done it; only after checking with my mom to see what the guy was like, especially in bed. After a few dates. I found that none of them were really my type. Funny thing: none of them wanted to screw me at my place, they all wanted to take me home with them. I guess they figured my mom would listen at the door or something. Yeah, a couple of them asked me about a threesome with her."

Sasha

Los Angeles, California

Age 40

Cougarlicious

Sasha is newly divorced. She is 5'6", weighs 122 pounds, wears 34B bras and wears Victoria's Secret panties. She is a sales associate in a furniture showroom. "Although the divorce was all my ex-husband's doing–he left me for a woman 10-years older than him–I resolved not to be a weepy, oh-pity-me divorcee, but to get right back into the dating world. But I did take the bastard for every cent I could! I soon found that most of the guys of the age I'd normally consider dating who hang out in bars and clubs are either cheating husbands or are emotionally fucked up."

"A divorced friend introduced me to the cougar scene. It's exactly what I wanted," said Sasha. "I know what I want–good sex and orgasms–and the 20something guys know what they want–good sex without commitment. It's perfect! My friend and I hunt together, talking to groups of guys till we see that we each have an interested guy. Then we go back to her place, have a couple of drinks then go off to get our jollies. Oral sex, then two or three fucks at a couple of orgasms a pop and I'm satisfied till next time. Only real studs get to stay the night for more fun…and breakfast."

Houston, Texas

Ht: 5'3" **Wt:** 113 lbs. **Bras:** 34A or none
Panties: Thongs or none **Anal:** Eew, no!
BJs: Yes, but I spit **Diddle:** In bed…a lot

Maya was born and raised in Kathmandu, Nepal. "I'm working real hard to graduate, so I don't have much spare time for dating, but I do have a 'friend with benefits' and we get together for an hour or so whenever we can," Maya said. "Maybe we go grab a burger or something, but mostly we just go to bed and screw. There's nothing like a few orgasms from sex to make me feel better! I knew I wanted my own nudie fame as soon as my friend showed me some issues of *NN*. He was obviously delighted."

Maya's favorite fuck

"I like to ride on top of the guy so he can play with my nipples while we're screwing. That helps me to get excited and makes my orgasms stronger. If the guy can control himself, I can cum twice during sex."

How To Get Her…

continued from page 36

18. If you haven't seen her for a day or so and she's coming over, leave empty condom packets–a brand you don't use with her–someplace where she'll see them. If confronted, have a totally lame excuse.

19. Repeatedly piss on the toilet seat and don't flush after doing a dump.

20. Set up your cell phone with 800 phone sex numbers labeled luridly, and throw in some numbers to single females, showing them by price ($100, $250). Then leave your phone where she can check it out while you're gone. (You know she will.) If confronted, come up with bullshit excuses.

21. Buy sexy panties, not her style or size, make them look like they've been worn, then stuff them down between the passenger seat and the door, where she will see them when she's getting into your car. Again, have a bullshit excuse.

CALL HER AND SAY, "I WON'T BE ABLE TO MAKE IT TONIGHT, BABE, THE GUYS HAVE INVITED ME TO A GANG-BANG."

22. If you have a female friend who will help you out, have her call you repeatedly late at night. Give vague, short answers, then make up an excuse to leave her place or send her home. Delete the friend's phone number before your girl gets a chance to snoop at your phone.

23. Send her a box of dead flowers at work with a note that reads, "Thinking of you!" Have the box lavishly covered in ribbons so the gals she works with will all want to see what's what.

24. Get a bit drunk, but exaggerate it, then vomit (fingers down your throat) all over her clothes in her closet or dresser. Then be too wasted to help clean it up. Later, act like nothing happened.

25. Dedicate a hurtful break-up song to her on her favorite radio station at a time you know she'll be listening–preferably while she's at work. Deny it was you who did it.

26. Disappear for a night, or a weekend. Stay in a motel if you have to. Don't answer calls or text messages from anyone. Refuse to discuss it with her later, but look self-satisfied.

27. Mail naked photos of her or, better still, shots of the two of you having sex, to her parents. If confronted, say you got confused and thought you were sending them to a friend, so he must have received the cute photos of her that you intended for her parents.

28. Call her at work–or another inconvenient time when she is with other people–and sound very distressed while telling her she should go to her doctor right way to get tested for STDs. Then, afterwards, refuse to confirm or deny that you tested positive for something.

TELL HER: "MATT HASN'T BEEN LAID IN MONTHS, SO I'VE INVITED HIM TO JOIN US IN A THREESOME NEXT SATURDAY."

29 Update your Facebook status to "single and on the prowl" and write a highly-personal and insulting tirade about her.

30. If she hates cats, get one. Dogs: get one. Go to the local animal shelter. You can always return it later.

So, finally she's gone; but then, a few weeks later, you don't have another girlfriend, you run into her somewhere, she comes on to you big time, you're horny, you fuck her and the situation becomes…

OH, SHIT!

I'M FUCKING MY EX

There appears to be a lot of good things about fucking an ex-girlfriend. Not only does she know what you want and like in bed (unless, of course, that's why you dumped her in the first place), she also understands it's just about fucking, so the whole deal is free of any relationship strings too! Right?

Wrong! No matter how you try to spin it with her, there's always a huge, black cloud hovering over an ex-sex hook-up: namely the fact that you dumped her not so long ago. Ex-sex inevitably arrives with a truck load of goddamned baggage.

Your ex-sex fling will probably place you in a position where you have more power within the new relationship than her. Meanwhile, she will probably be harboring all sorts of hang-ups, hurts and passing thoughts of revenge about the whole situation–not to mention the hope that this time it might be different; real, long-lasting and even leading to marriage.

The main rule for ex-sex is to be honest with her about what you want from the get-go. She needs to know that you're with her just for the sex. Then all your cards are on the table so if something goes wrong–which is highly likely–it won't destroy her last shred of self-esteem.

"Don't lose your honesty along with your pants in the heat of the moment," says Brit relationship expert Dr Pam Spurr.

Establish some simple rules–understandings–for your new arrangement without reducing what should be a fantastic moment to the romantic equivalent of crafting the Trivial Pursuit rulebook. After all, what can be better than enjoying a purely physical relationship with your ex, if that's what you're both interested in?

The key is to be open about the reasons you want to get involved with her again because ex-sex is a huge powder keg full of psychological angst, hurt and recrimination.

You should ask yourself: am I doing this just to get laid or (subconsciously) is it a devious ploy to have her around me again because I'm lonely. If it's the latter, then dump your hare-brained scheme in the trash.

"Ex-sex is only a good thing when both people realize why they're doing it," adds Spurr. "If one is using the other for company and affection because they're lonely after the break-up, it's likely to backfire spectacularly.

REMARK: "IT'S FUCKIN' STUPID TO EXPECT A MARRIED GUY TO ONLY FUCK ONE WOMAN FOR THE REST OF HIS LIFE."

"During the moments they're in bed they'll feel wanted, but once it's over and done with–and they're back on their own in their own place–it can intensify feelings of loneliness and loss."

Sometimes, ex-sex can provide a great way for both of you to ease back into the dating scene. You're destressing by getting laid, so you can take your time finding somebody else.

It will also allow both of you to share some good times (orgasms) in the sack and part on good terms with good memories once the affair runs out of steam. Or, it could end with her having to go through the whole break-up deal again.

Even as she's fucking you, she might hit you with guilt trips to make your life hell. You might be the victim of some twisted form of revenge, or she might deliberately get pregnant to get her hooks into you. It's very risky and there's no way of telling how it might work out.

So, are you willing to take the risk and go for it? If both of you can manage to be just friends with benefits and are content with booty calls until one or both of you become sexually involved with another person and your arrangement ends, then you can enjoy some great times in the sack. But don't let your guard down.

This "ex-sex" advice was summarized from: lifestyle.msn.co.nz

Genaui

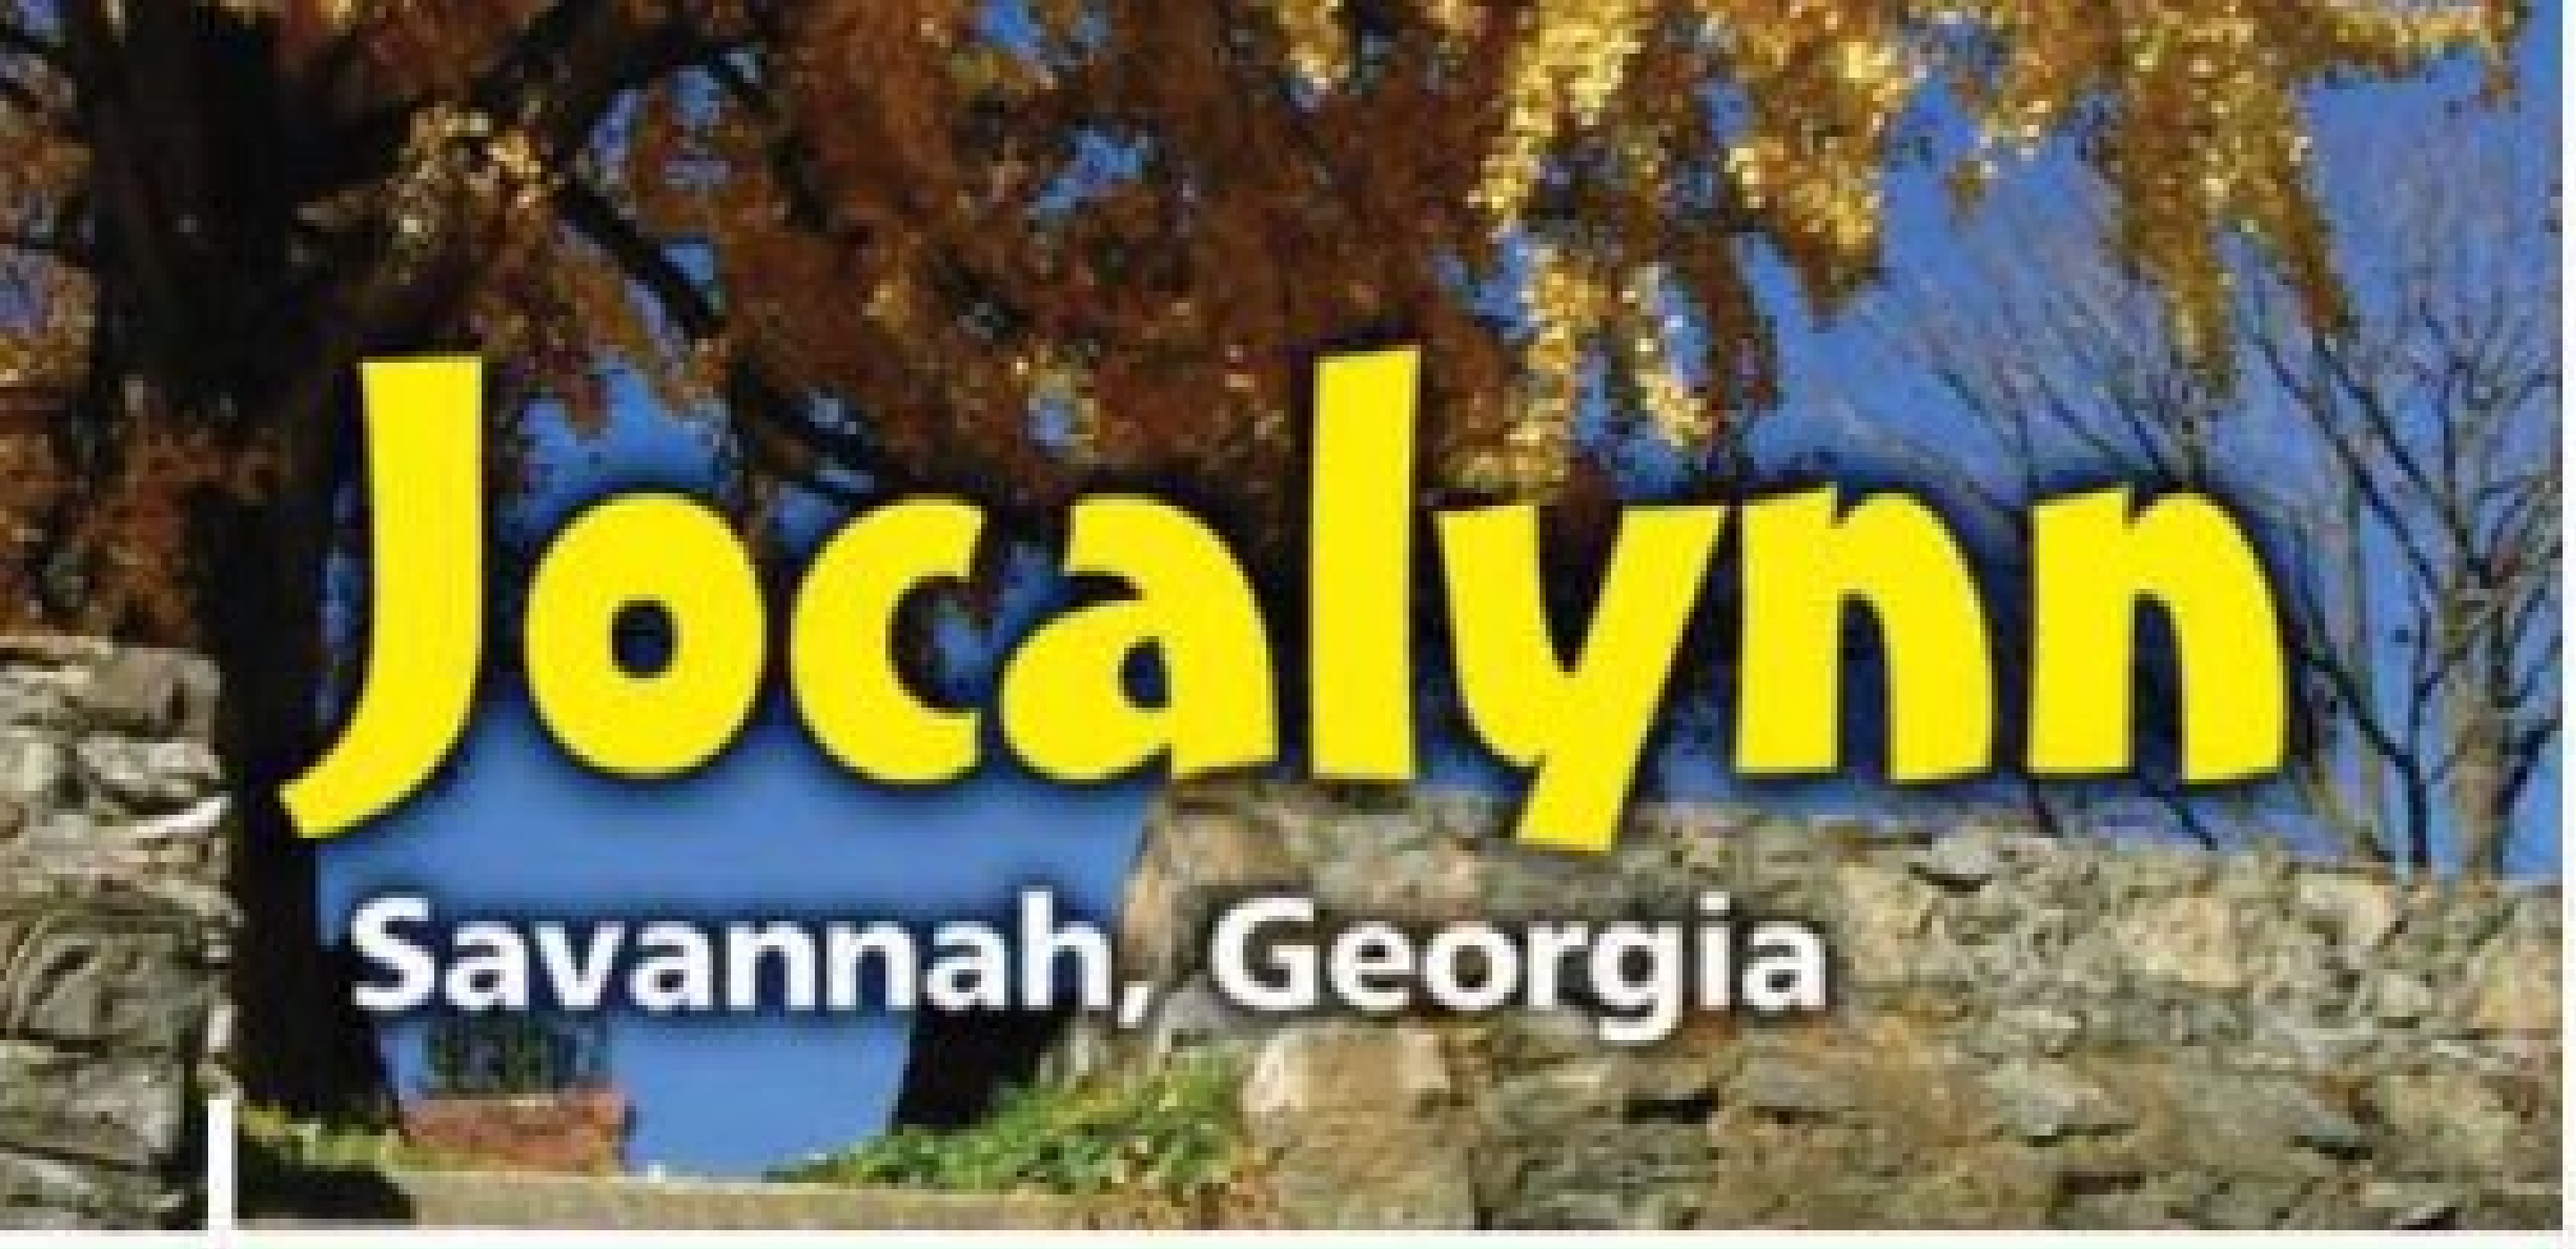
Irvine, California

Fashion consultant **Age** 27 **Born** July 18
Ht: 5'8" **Wt:** 130 lbs. **Bras:** 36C
Panties: Small 'n' sexy **Anal:** Not for me
BJs: Any time **Diddle:** Use my toys a lot

Genaui came to the U.S. from the West Indies via France, where she was a fashion model "I was more nervous posing for these photos than I ever was while walking down a runway during a show," she said. "I love being looked at and doing this was the ultimate attention-grabber for me. The *NN* will be a part of my collection of the magazines that I've been featured in, but I won't be showing it to everybody like I do the others. I've lived out a fantasy now, and not everybody gets to do that. Who took the pics? A friend–a close friend–not my lover."

Bedding Genavi

"I like a big bed and lots of time. Lick me till I cum and I'll blow you before we have sex. Then take it very slow while we do it different ways. I love to see your face as you cum with me. Then cuddle me."



Jocalynn

Savannah, Georgia

Fast food worker **Age** 20 **Born** Sept. 15
Ht: 5'3" **Wt:** 109 lbs. **Bras:** 32B
Panties: Boy shorts **Anal:** Just a toy
BJs: I spit **Diddle:** In bed most nights

"My boyfriend and I still live at home," said Jocalynn. "We have this spot to go to where we can be alone and not be disturbed much unless folks are out on their boats. We hang out, sunbathe, barbecue, drink beer and stuff, but we always screw in his SUV 'cause of the bugs. It was the obvious place to use to get these photos for *NN.* We're gonna use the money to go to a motel now and then so we can have sex in a comfy bed for a change and shower together and do other sexy things."

Jocalynn's favorite sex

"Seeing we mostly screw in an SUV, I like to be on top and I cum best that way, especially when my guy plays with my titties. But doggie style is cool, too, when he spreads my butt cheeks and does me deep."

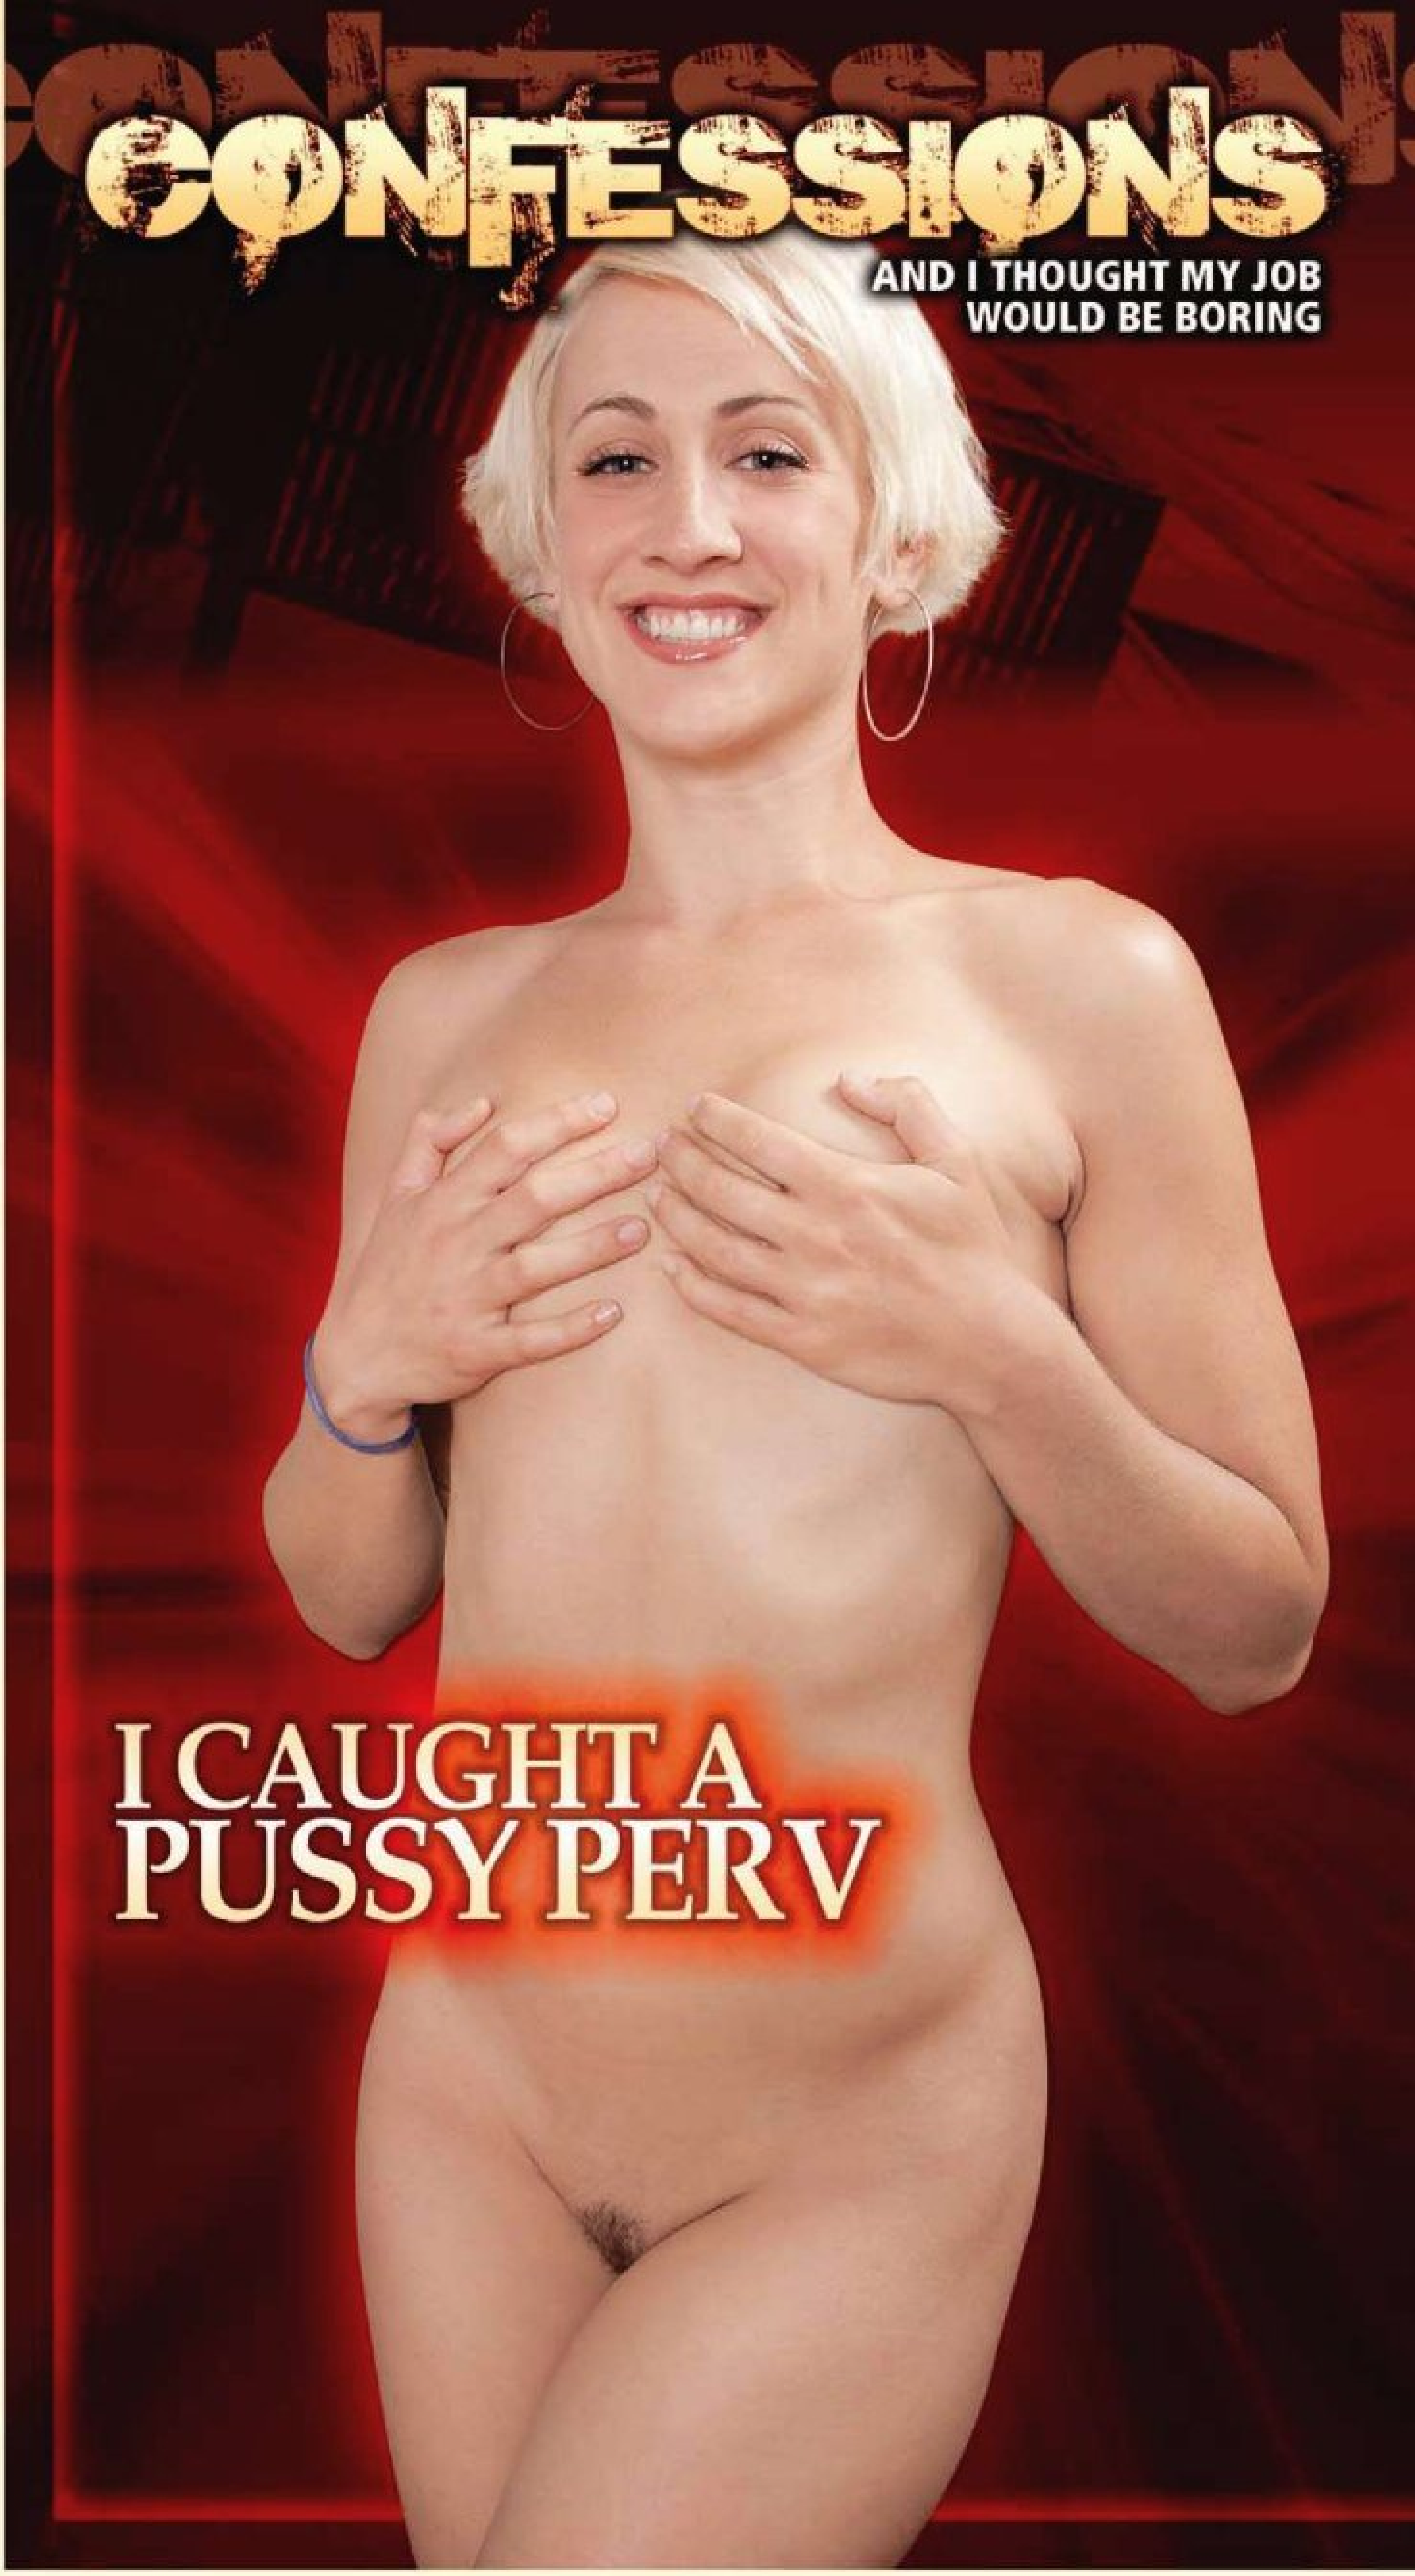
CONFESSIONS

AND I THOUGHT MY JOB WOULD BE BORING



I CAUGHT A PUSSY PERV

I'm the overnight security guard at a strip mall that includes a gym. It was the only job I could find after doing six years in the navy, and the pay's almost decent. Apart from dealing with the odd drunk sleeping it off in a corner, I wasn't doing anything important and it was boring as hell.

But all that changed last Thursday as I was doing my rounds. It was about 11.30 pm when I noticed that one of the back doors to the gym was cracked open. I figured something was up and my adrenalin kicked in. I opened the door and quietly slipped inside, my hand on my taser, just in case.

I found myself in a large storage room. Squinting in the little bit of light coming in from a light in the parking lot, I almost missed seeing a body pressed up against the back wall. I wondered what the fuck the person was up to.

"Oh, yeah!" I heard a whisper.

I snuck closer. I wanted the element of surprise: to be in control of the situation when I challenged the perp.

Again the voice. "Oh, yeah baby, that's my girl, come closer."

It was a girl's voice!

"Yeah, soap up your snatch, give that slit a nice going over."

I froze as the girl moved a bit. By squinting, I could see that she was wearing a t-shirt and shorts. She had short, blonde hair and was only a couple of inches shorter than me: I'm six-foot. One foot was resting on a box and one hand was down the front of her shorts, burrowing into her snatch.

"That's it girls…all join in."

I had to do something, so I said, "What do you think you're doing?"

The girl froze.

"Turn around slowly. I'm armed," I said sternly.

She did, taking her hand out of her shorts and pulling down her t-shirt

"What the fuck are you doing here?" I asked.

She was in her mid-20s; my age.

"Well?" I prompted.

She moved to her right and I saw light coming through a hole in the wall. She nodded, indicating I should look, so I did. Man, what I saw nearly blew my mind. We had a bird's eye view of the women's shower room. A bunch of college girls were in there giggling and soaping each other up. I figured it was the basketball team from the college just down the road.

My eye was on the same level as their beautiful pussies. I shot a look back at the girl and she looked back sheepishly. What was I supposed to do about this? We stared at each other while I contemplated the dilemma. If I turned her in, then I'd never have the opportunity to spy on some pussy. Was it worth turning her over to the cops for breaking and entering? Maybe we could work something out?

"You know this is against the law," I whispered.

"Yes," she mumbled.

"I should call the cops. Can you

think of a reason why I shouldn't?"

"Not one you'd like."

"What's that suppose to mean?'

"Nothing. I know it's wrong, but let's face it, who am I hurting?"

"Their privacy rights," I said smugly.

"Yeah, but what they don't know can't hurt them. You looked, too"

"I had to see what you were doing."

"Well, you saw. Now what?"

Was she trying to come on to me? "I don't know," I replied.

Suddenly, she peeled off her t-shirt and shorts and stood there naked.

I gulped. Fuck, what a bod! Why perv on a bunch of girls when she could have any man she wanted?

"So?" she whispered, running her hands over her breasts and then down her stomach and over her mound.

"Turn around," I ordered.

She did, peeking back over her shoulder as she wiggled her ass at me.

My cock was throbbing in my pants. I took out my baton and ran it down her back, over her ass, then back over the cleft and down the crack. She wiggled.

"So, what do you think?" she said turning around. "What's next?"

"What do you suggest?"

"You know," she said, dropping to her knees in front of me. She peered up at me in the semi-darkness. It was eerie to be in there with a stranger who was not only young and good looking but was happy to give me something that a guy can never get enough of.

A blow job.

Natalie

London, England

Office clerk **Age** 20 **Born** June 23
Ht: 5'5" **Wt:** 130 lbs. **Bras:** 34D
Panties: Small & sexy **Anal:** I haven't yet
BJs: I swallow some **Diddle:** Too much

“After dating my boyfriend for about four months, I stayed at his flat for the first time, and he wanted some photos to remember the night by,” said Natalie. “I think he learned one thing right away…never ask me to pose for photos or you won’t be able to stop me! Even though we’d been shagging most of the night, I still wanted more and he was talking about us going out to check out some local market. So I gave him a lot more than he expected, and soon he was naked, too, and we went back to bed.”

Bonking Natalie

"I love to be told what to do when I'm bonking. Do me hard, but take time to tease me, too, till I'm begging to cum. I go crazy when I cum. I'm loud and I can't keep still and sometimes I scratch or bite."

Confessions

continued from page 84

She reached out and lightly stroked my cock through my trousers. I almost came. She giggled softly as she undid my zipper, reached in and pulled out my cock. Her mouth opened into an O and she slid my knob in. The sensation of her tongue on the underside of my cock was electric. Then she was sucking me.

I wondered again if she was a lesbian. I mean, why spy on the women's bathroom and not the men's? But from the way she was sucking my cock, I soon realized she must have done it a lot 'cause she was fucking great at it. I almost shot my load, and she knew it.

I hope she'll let me do her ass.

I pulled her to her feet, copping a feel of her small tits as I did. "Watch the pussies again while I do you from behind," I told her.

She didn't hesitate. But I wasn't sure if it was because I was going to fuck her or because she was getting another chance to have a look. With her eye glued to the hole, she wiggled her sexy ass at me. I rubbed my cockhead up and down her pussy lips, then buried my boner inside her hot, super-wet hole. She was so turned on that I could feel her cunts walls milking my dick.

I fucked her hard for a few minutes as she pushed back against me, looking through the peephole the whole time and rubbing her clit. Then I lost control and came inside her. I collapsed on her while I tried to get my breath back.

"I need more," she said, trying to get me off her back.

"What?" I whispered stupidly.

"Your baton. Rub it up and down my slit while I'm watching."

With her eye glued to the hole again, she bent forward and I ran my baton down her crack to her slit. It parted her wet lips and I slid it further, hoping it was connecting with her clit.

Her cunt was real wet from pussy-peeping.

"Oh, yeah! Oh, yeah!" she gasped.

I put one hand on her back and slid the baton rhythmically along her gash. She soon came hard on it, closing her thighs so tightly that I could barely move it. When she finished, she rested against the wall.

"Have a look," she said.

I did. The girls were having a free for all, licking and sucking each other under the cascading water. Fucking!

"Do they do this often?" I asked.

"Tuesdays and Thursdays after practice," she whispered

"You come here twice a week?"

"Yeah."

"Why don't you go and join in?"

"I was on the team till I graduated last year. I had keys to lock up after practice and I used to explore the place. That's how I found the hole. And I got copies of the key. Now I love watching."

"What about what just happened here with us? Did you enjoy it?"

"Oh fuck yeah!"

"So if I come in here next Tuesday night we can repeat it all?"

"I'd love that as long as I can still watch," she said with a smile. "I'm not a lezzie, just a voyeur."

"You're on!" I said.

She was already back at the hole, her nakedness haunting in the darkness.

Sexed by a Stud

Elizabeth & Alex

Elizabeth, 26, was in our January '09 issue. The restaurant shift manager from Barberton, Ohio, is 5'8", weighs 140 pounds, wears 34B bras and prefers thongs. Before she came to South Florida on vacation, Elizabeth called and told us her fantasy: she wanted to fuck a stud for *NN*. She asked if it could be arranged. We said it could…and here she is. "It was thrilling to see myself in the mag. I still buy *NN* sometimes, even though there's no guy in my life right now," she said. "But the idea of screwing a stud and seeing that in the mag got more and more appealing every time I thought about it while getting myself off. Is that weird?"

"I love sex!" said Elizabeth. "I don't get enough 'cause I work nights, so it's kinda hard to date unless I go for somebody from work–and that's not gonna happen. I get myself off a lot, but solo sex doesn't always do it…you know what I mean. I love riding on a big, hard cock and feeling it drilling me, then being flipped over and getting banged from behind. And feeling a guy cumming inside me is, like, the ultimate, especially if he's cumming while I am. I can only cum once while I'm screwing, so I always try to delay it as much as possible and get the most out of it. But I'm always ready to go again as soon as the guy is. A quickie is okay now and then, as is screwing in the shower, but I like screwing and cuddling and snoozing all night long: there's no beating that! For me, the ideal situation would be to be able to screw three or four nights a week."

"I know they say that size doesn't matter, but Alex had the biggest dick I've ever fucked and it felt awesome," said Elizabeth. "I wasn't sure that I'd be able to climax, what with the cameraman being there and all that, but, for the first time, I had two orgasms and the second one was better than the first! I could hardly move afterwards! Any guy I sleep with from now on will have to work awful hard to satisfy me like Alex did. My fantasy was fulfilled better than I ever dreamed it could be."

It makes teen sex *look tame!*
